Pay Your Bills Online
Pay your bills through WaFd online banking starting **March 4**. Bill Pay is a convenient way to pay your bills individually, or all at once by scheduling payments for recurring bills. This complimentary service automatically determines if your payee will accept electronic payments; otherwise, your payment will be sent by paper check through the mail. Bill pay allows you to set up automatic payments, view invoices due, and add or delete payees.

Current Luther Burbank Savings payees will not carry over.
If you’re currently using Luther Burbank Saving’s online bill payment system, you’ll need to set up your bill payees once again in WaFd’s Bill Pay system. **TIP:** You may find it helpful to download and save or print your current payee information before system conversion on March 1. Payee information and recurring payments will not be automatically transferred between the two

systems. To add payees, you will need vendor name, account number, and mailing address. Payee name and addresses must match the bill pay database exactly to qualify for electronic payments.

Payments that you have scheduled to pay between now and February 23, 2024, will process as planned. **Payments scheduled to pay on or after February 24 will need to be re-created within WaFd Bank Bill Pay on March 4.** These payments may be delayed. Consider paying bills in this timeframe earlier, via check, or outside of online banking to ensure your payments stay on track. **TIP:** Be sure to check the timing of your recurring payments so that you don’t miss any payments.

- Get set up with WaFd Bill Pay and pay your bills in three easy steps:**
- Enroll in Bill Pay
 - Add a company or person as a payee
 - Set up a bill to be paid (*either recurring or one-time payments*)

Only checking and money market accounts can be linked to WaFd’s bill pay platform. Funds will be deducted from your account on the chosen delivery date unless the payment is sent as a draft check. For draft check payments, the funds are withdrawn when the payee processes the payment.

- Please consider the following bill pay requirements:**
- You must be 18 years old, with a U.S. address and phone number.
 - The first payee and payment must be entered through online banking, not the mobile app.
 - After the initial payee and payment processes, you may add payees and make payments through the mobile app.
 - Allow 7-10 days for first-time delivery to each payee. While 80% of payments are electronic and arrive in 2-3 business days, the first deliveries to payees may take longer.

Your mortgage will automatically transfer to WaFd Bank. You will receive a servicing transfer notice from Luther Burbank around February 15, 2024. You will then receive a second notice from WaFd Bank around March 20, 2024. An escrow analysis will also be provided to you, one from WaFd Bank and one from Luther Burbank, on or before May 1, 2024.

If you have an automatic loan payment, you will not need to do anything. Please note that if your payment is coming from a bank other than Luther Burbank, your loan payment will now pull the following business day after your scheduled payment date. If you suspect an error or need information about your loan, please mail that request to:

WaFd Bank Client Care Center
9929 Evergreen Way
Everett, WA 98204

Your payment will not be changing due to this merger. However, please note that WaFd Bank does not process loan payments made from external accounts by phone. Instead, set up a bill payment through the other financial institution, or make a deposit to your WaFd checking or savings account and then log in to online or mobile banking to make a payment. After the deposit is processed, you may also call us at 800-324-9375 to make an internal transfer to pay your loan.

We recommend you download your account statements for easy access before system conversion.

What should I do if I want to continue receiving check images with my printed statements?

If you receive check images with your Luther Burbank statements, that service will be disabled after the transition to WaFd systems. If you would like to re-enable the Check Image service for \$5 per month, starting **March 4**, please contact your local branch, our Client Care Center at 800-324-9375, or email us at ask@wafd.com to request the service. After the system conversion is complete on **March 4**, visit wafdbank.com and choose "Enroll Now" from the Online Banking menu. Once enrolled, download the WaFd mobile app from your app store and log in with the same credentials used for Luther Burbank online banking. You may need to change your username or password to meet WaFd requirements.

I set up nicknames for my accounts. Will they transfer over?

Nicknames will not transfer. Please make note of any nicknames for your accounts so that you can re-name your accounts when they are transferred to WaFd's online banking system.

Does WaFd Bank offer Bill Pay and will my current Bill Pay settings be saved?

WaFd online and mobile banking both offer Bill Pay with standard and expedited timelines, Zelle person-to-person payments, and external transfers. Current payees in your Luther Burbank Savings Bill Pay will need to be recreated in WaFd Bill Pay after conversion. To prepare, we suggest saving payee mailing addresses and account numbers ahead of the change.

What will happen to payments I have pending in Bill Pay during the transition?

Payments scheduled on or before February 23 will process. Any payments scheduled to be paid after that date will not be processed or sent.

Will the interest rate on my loan change?

We will honor your interest rate agreement established with Luther Burbank Savings. Please note that you may have a variable interest rate that could cause your interest rate to change in the future.

Where do I make my loan payments?

Loan payments should be sent to the same Luther Burbank Savings address until the system conversion occurs March 1-4. Loan customers will receive a servicing transfer notice in the mail around February 15, 2024, which will have the new payment address.

Can I still make my loan payments by phone?

WaFd Bank does not allow loan payments to be made from external accounts by phone. Instead, make a deposit to your WaFd checking or savings account and then log in to online or mobile banking to make a payment. After the deposit is processed, you can also call us at 800-324-9375 to make an internal transfer to process a loan payment.

Will my loan account number change?

The majority of account numbers will stay the same. However, there may be a few exceptions. Affected clients will be notified of the change to their account number through a letter prior to the system conversion.

Will my loan payment due date change?

Your loan due date will not change.

My loan payment is automatically processed from my account; will that continue?

Yes, but if your automatic loan payment is coming from a bank other than Luther Burbank or WaFd Bank, it will pull from your account the one business day after your payment is scheduled.

Part I: Personal Deposit Account Terms and Conditions

This Part I sets forth certain terms and conditions that apply to all Account types, as well as certain terms and conditions that apply depending upon the type of Account you have established with us. From time to time, we may offer new types of Accounts and may cease offering some types of Accounts. The Account Agreement governs these new types of Accounts and continues to govern any Accounts you may have that we no longer offer. If and to the extent the provisions of the Account Agreement vary from the provisions of the Uniform Commercial Code as adopted in the jurisdiction where your Account is

located, the terms and conditions of the Account Agreement control.

The Account Agreement includes your promise to pay the fees and charges listed on the Consumer Fee Schedule and your permission for us to deduct these fees and charges, as earned, directly from your Account. You also agree to pay any additional reasonable fees or charges we may impose for services you request which are not contemplated by the Account Agreement but are disclosed in our Consumer Fee Schedule. Each of you agrees to be jointly and severally liable for any Account deficit resulting from fees, charges, or overdrafts, whether caused by you or another authorized to withdraw from your Account, together with the costs we incur to collect the deficit, including, to the extent permitted by law, our reasonable attorneys’ fees. You agree to use the Account only for lawful purposes and to comply with all applicable local, state, and federal laws and regulations, including for example, the USA PATRIOT Act and the Unlawful Internet Gambling Enforcement Act.

Mobile Phone Contact Policy

If you give a mobile phone number directly to us, you consent to and agree to accept calls related to the servicing of your Account to your mobile phone from us and our agents. For any service-related telephone calls, mobile phone calls, or text messages (SMS) placed to you by us or our agents, you consent and agree that those calls may be automatically dialed and may consist of pre-recorded messages. You may incur fees from this contact by your service provider.

Important Account Opening Information (USA PATRIOT Act Notice)

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an Account.

What this means for you: When you open an Account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents.

Deposit Policy

We will usually give you credit and make funds available for items deposited into your Account in accordance with our Funds Availability Policy. However, we may delay or refuse to give you credit if we believe in our discretion that your item will not be paid. We will reverse any credit we have given for an item deposited into your Account if we do not receive final payment for that item. If the reversal of a credit creates an overdraft in your Account, you will owe us the amount of the overdraft. We will determine when final payment is received for any item. Please refer to the Funds Availability Policy for important information on the availability of your deposits.

Items drawn on an institution located outside the United States (*foreign checks*) are handled on collection basis only. We may in our sole discretion not accept them for collection. You may also ask us to accept certain other items for collection only. You will not receive credit for (*provisional or otherwise*), and may not withdraw funds against, any of these items until we receive final credit from the person responsible for paying them. Items sent for collection will be credited to your Account in U.S. dollars, with the amount of U.S. dollars credited calculated using our applicable exchange rate in effect on the date when we credit the funds to your Account (*and not when the deposit is made*). The Funds Availability Policy does not apply to items we have accepted for collection only. If we receive final credit for an item, we have accepted for collection only, you agree that we may subtract our Collections and Foreign Check Processing fee from the amount finally credited to us, before

we credit your Account for the remaining amount. Please refer to the Consumer Fee Schedule for a description of the Collections and Foreign Check Processing fee.

Checks

All negotiable paper (“**checks**”) presented for payment must be in a form we have either provided or approved. We may refuse to accept any check that does not meet this requirement or is incompletely or defectively drawn. We may elect not to pay any check that is at least six (6) months old, but if there is no stop payment order on file when we receive such a check for payment, we may elect to pay it in good faith without consulting you. You agree that you will use care in safeguarding your checks against loss or theft. For example, you agree to secure your supply of checks at all times, to destroy checks you do not intend to use, and to not sign blank checks – please also keep in mind that this is not an exhaustive list of the preventative measures you should take in safeguarding your checks. You will tell us immediately if any checks are missing. You agree to assume all losses that could have been prevented if you had safeguarded unsigned (*or otherwise incomplete*) checks or had told us they were missing.

Endorsement

It is important that you place your endorsement carefully on the back of all checks you are depositing in the endorsement area, which is the first 1-1/2 inches on the back of the check when viewed from the trailing edge (*the trailing edge is the left edge of the check when viewed from the front*). If you have a question about proper placement for your endorsement, please ask a Bank representative. If your endorsement is illegible because you have endorsed the check in the wrong location, you will be liable for any resulting loss. If you make a deposit to an Account and you fail to endorse it at the time, we may add an endorsement on any item, and you will be responsible for the item as if you endorsed it yourself.

If you are unable to endorse checks with a physical signature, we may in our discretion accept checks deposited using a signature stamp (a “**Facsimile Signature**”) endorsement rather than a physical signature endorsement upon your request, as long as you provide us with a copy of the Facsimile Signature and any other information, agreements, and/or documentation we require from time to time in connection with such Facsimile Signature. Please refer to the Section of this Disclosure titled “**Facsimile Signatures**” for additional information regarding the use of Facsimile Signatures.

Facsimile Signatures - If we allow you to use a Facsimile Signature, you understand and agree that we will not be able to determine whether the Facsimile Signature on any item is authentic or has been authorized by you. If your items are signed using a Facsimile Signature, you acknowledge that it is solely for your benefit and convenience. You authorize us to accept the Facsimile Signature on any check, draft, or other order drawn on us, or on any other document, and we may debit your Account in the amount of each payment which we make in reliance upon any such Facsimile Signature and/or reproduction thereof. We will not be liable, and you will assume all liability, for any losses, liabilities, penalties, claims, damages, costs, expenses, or other harm or injury (*including, but not limited to, court costs and reasonable attorneys’ fees*) which you may incur or which may be asserted against you or us in connection with the authorized or unauthorized use or reproduction by any person or entity relating to or arising out of (a) any use, misuse, and/or reproduction, whether or not authorized, by any person of any actual or purported Facsimile Signature on any check, draft, or other such order drawn on us, or on any other document, and/or (b) any payment which we make in reliance upon any such Facsimile Signature and/or reproduction thereof. You will indemnify us and hold us harmless from and against any and all losses, liabilities, penalties, claims, damages, costs, expenses, or other harm or injury (*including, but not limited to, court costs and reasonable attorneys’ fees*) which we may incur

or suffer or which may be asserted by any person or entity with respect to any use or misuse of an actual or purported Facsimile Signature on any check, draft, or other order drawn on us, or on any other document, or any payment which we make in reliance upon any such Facsimile Signature and/or reproduction thereof. You shall be solely responsible for maintaining security over any device used to affix or apply Facsimile Signatures. The foregoing indemnity will not apply if and to the extent expressly prohibited by applicable law.

Returned Checks/Waiver of Rights

If you deposit a check or item in your Account that the paying bank returns unpaid for any reason, we may put the check or item through for collection again without telling you we are doing so. This means that you are waiving your right to receive immediate notice of recollection or dishonor. If a check or item is dishonored (*returned unpaid*) for any reason, the amount of the dishonored check or item will be deducted from your Account. If the deduction creates an overdraft in your Account, you will also owe us the amount of the overdraft. We may also collect any amounts due to us because of a returned check or item, through the right of offset, from any other of your Accounts at the Bank, or collect the funds directly from you.

Check Cashing Policy

We only cash checks for existing customers with a sufficient Available Balance. To cash a check, you must first deposit the check in your Account, and then withdraw the requested funds. As further described in the Section of this Disclosure titled “**Returned Checks/Waiver of Rights**,” if we cash a check for you that is not drawn on your Account, and the check is dishonored (*returned unpaid*) by the paying bank for any reason, we will deduct the amount of the dishonored check from your Account (*in which case we may also exercise any other rights available to us under this Disclosure and/or applicable law*). If the deduction creates an overdraft in your Account, you will owe us the amount of the overdraft.

Withdrawal Policy

Savings Account withdrawals may be made per written order of withdrawal in accordance with the information contained on the signature card and may also be made with a WaFd Bank Debit or ATM Card, as applicable. We may refuse a request if any document or identification we require or that is required in connection with the withdrawal has not been presented.

Federal law requires that we reserve the right to require seven (7) Calendar Days’ advance written notice of any intended withdrawal or transfer of funds from all Savings or Money Market Accounts. While we reserve this right, we do not presently exercise it. Withdrawals from Savings Accounts held in Retirement and Savings Plans are subject to our procedures for withdrawal requests from Retirement and Savings Plans and may take up to five (5) Calendar Days to process. Please note that we may also require a signature to complete a withdrawal, including closing of your Account. Checking or Savings Account withdrawals of large funds may also require advance notification to the branch to ensure availability of cash on hand.

Transaction Processing Order

The order in which transactions are posted to your Account (*and whether you have a sufficient Available Balance to cover a transaction at that time*) is important when planning your finances and Account transactions. For instance, this processing order is particularly important for avoiding overdrafts and Nonsufficient Funds fees. Our policy is to post Automated Clearing House (“**ACH**”) credits (*e.g., direct deposits*) to your Account before ACH debits that we receive on the same day. Please refer to the Table below for additional information about the order in which we will post transactions to your Account. All transactions are posted in Pacific Time, regardless of the branch time zone.

Transaction Type	How Order is Determined
<ul style="list-style-type: none">Check processing	From lowest to highest dollar amount.
<ul style="list-style-type: none">Branch transactions (<i>e.g., deposits and check cashing</i>)Debit card transactionsTransfersBill pay transactionsWire transfers	Chronologically based on the date and time that our records indicate the transaction was initiated or authorized.
<ul style="list-style-type: none">Fees (and other service charges)	Fees and service charges can post to your Account in several ways. Most fees will post at the end of the day, but some fees will post immediately after the transaction to which they relate (<i>e.g., a Wire Transfer fee will post immediately after the wire transfer transaction</i>). Although most fees post on the same day they are incurred, certain other fees and service charges (<i>e.g., monthly service charges, etc.</i>) may be posted on the last day of your statement cycle.

Reasons Why We May Refuse to Pay an Item

We may refuse to pay an item that:

- (a) is illegible;
- (b) is drawn in an amount greater than the amount of funds then available for withdrawal in your Account (*see the Funds Availability Policy and the Section below titled “Funds Available to Spend”*) or which would, if paid, create an overdraft;
- (c) bears a duplicate check number;
- (d) we believe has been altered;
- (e) we believe is otherwise not properly payable; or
- (f) we believe does not bear an authorized signature.

Further, we are not required to honor any restrictive endorsement on checks you write, unless we have agreed in writing to honor the restriction. Examples of restrictive endorsements are “Not Valid for More Than \$1,000” and “Void If Not Negotiated Within 30 Days of Issuance.”

Postdated Items

You agree that, when you write a check, you will not date the check in the future. If you do and the check is presented for payment before the date of the check, we may either pay it or return it unpaid. You agree that if we pay the check, the check will be posted to your Account on the day we pay the check (*without regard to the date on the check*). You further agree that we are not responsible for any loss to you in doing so.

Preauthorized Drafts

If you voluntarily give information about your Account (*such as our routing number and your Account number*) to a party who is seeking to sell you goods or services, and you do not physically deliver a check to the party, any debit to your Account initiated by the party to whom you gave the information is deemed authorized by you.

Funds Available to Spend

Please note that there may be times when the Current Balance of your Account is different from your Available Balance. The

difference between your Current Balance and Available Balance is important for a number of reasons, including avoiding overdrafts and Nonsufficient Funds fees. In general, your “**Current Balance**” refers to the total amount of funds in your Account, but your Current Balance may not always reflect the amount of funds that you have available to spend from your Account. Rather, your Available Balance reflects the amount of funds that you have available to spend from time to time. To determine your “**Available Balance**,” we take your Current Balance and

- (a) first, we subtract any holds on your deposits (*such as holds on your deposits in accordance with our Funds Availability Policy*), holds on debit card or other electronic transactions that have been authorized but are still pending and have not yet posted to your Account, and any other holds that we have placed on funds in your Account (*such as holds relating to pledges of Account funds, minimum balance requirements, or court orders or other legal processes*); and

- (b) then, we add any deposits that we have made available to you, even though we have not yet received final funds (*e.g., when we give you access to funds from a deposited check, even though we have not yet received funds from the financial institution on which the check is drawn*).

Understanding the difference between your Current Balance and your Available Balance is important when planning your finances and Account transactions. For example, funds from your deposits will be added to your Current Balance when you deposit them, but if those deposits are on hold (*e.g., under our Funds Availability Policy*) they will not be reflected in your Available Balance. As an additional example, when you present your WaFd Bank Debit Card to a merchant, the merchant will typically ask us to authorize the transaction. If we provide this authorization, a temporary merchant payment authorization hold may be placed on your Account funds equal to the amount of the transaction, and this amount will then not be reflected in your Available Balance. Further, some other types of merchants (*e.g., hotels and rental car companies*) will create an authorized pending transaction and place a temporary merchant payment authorization hold on your Account equal to or greater than the amount of the transaction in an attempt to ensure sufficient funds will be in your Account when you make final payment (*e.g., when you check out of the hotel or return the rental car*) – the amount of this temporary merchant payment authorization hold also will not be included in your Available Balance. Further, your Available Balance will also not reflect any check that you have written against your Account that has not yet been presented for payment. In sum, there may be times when your Current Balance is different from your Available Balance, and this difference is important when planning your finances and Account transactions. If at any time you have questions about your Current Balance or Available Balance, please call us at 800-324-9375 or visit your local branch.

Overdraft Policy (*All Accounts – Excluding Fresh Start Accounts or Certificates of Deposit*)

You do not have the right to withdraw any funds in excess of the Available Balance in your Account. When an item that is presented for payment exceeds your Available Balance, we can either pay or return the item. Although we use your Available Balance to determine whether to pay or return an item, we use your Current Balance to determine whether to charge a Nonsufficient Funds fee. Each time an item is presented for payment and your Account does not contain a sufficient Current Balance; you will be charged a Nonsufficient Funds fee. Please refer to the Consumer Fee Schedule for a description of the Nonsufficient Funds fee. You will be charged this Nonsufficient Funds fee regardless of whether we honor, pay, return, reject, or decline such item. Importantly, please note that an item may be presented multiple times (*and as frequently as daily*) and that we do not monitor or control the amount of times an item is presented for payment. For instance, you will be charged this Nonsufficient Funds fee each time we

return such item, even if that item had previously been presented and returned (and you were previously charged a Nonsufficient Funds fee for that earlier return). You will also be charged this Nonsufficient Funds fee if we honor or pay the item, even if you were previously charged a Nonsufficient Funds fee when the item was earlier returned, rejected, or declined. You cannot choose which items we pay. If, in our sole discretion, we choose to allow a withdrawal that exceeds your Available Balance, you agree to immediately repay us the overdrawn amount. At no time will we be required to allow you to overdraw your Account, even if we have allowed overdrafts on one or more prior occasions. We do not offer the option to authorize overdrafts using a debit card for everyday (*one-time or non-recurring*) merchant purchases or for ATM withdrawals.

You agree to pay us, when we ask you, all our costs of collecting an overdraft, to the fullest extent permitted by applicable law. These costs include, but are not limited to, our legal fees and expenses. If more than one of you owns an Account, each of you will be responsible for paying us the entire amount of all overdrafts and obligations resulting from the overdrafts.

Intentionally withdrawing funds from an Account when there are not enough funds in the Account to cover the withdrawal or when the funds are not yet available for withdrawal may be a crime. In the event your Account is protected by our Overdraft Protection service, this Overdraft Policy is also subject to the terms and conditions set forth in the Section below titled “**Overdraft Protection (ODP) Service.**”

Overdraft Protection (ODP) Service

Our Overdraft Protection (“**ODP**”) service is available on any Checking Account. The ODP service will automatically transfer funds from a Qualified Protection Account to your Checking Account. “**Qualified Protection Accounts**” include Savings Accounts, Money Market Accounts, Checking Accounts, or qualified Lines of Credit (“**LOCs**”). Non-transaction Accounts, such as Certificates of Deposit, do not qualify as Qualified Protection Accounts. If you have an LOC as part of your ODP setup, you also agree to pay any interest accrued that may result from WaFd Bank performing the advance on your behalf from the LOC. Transfers performed on Accounts are subject to the terms and conditions of the Account Agreement, including the Funds Availability Policy. Transfers performed on LOCs are also subject to the terms and conditions of the applicable loan agreement and disclosures. You must apply separately for an LOC, which is subject to credit approval by WaFd Bank.

Sustained Overdrawn Accounts

We will notify you if your Checking Account or Money Market Account is in overdrawn status. If the Account remains in overdrawn status for forty (40) or more Calendar Days, or such earlier time that we determine that the overdrawn balance is uncollectible, we may close the Account and place it in collection status. Please refer to the Section of this Disclosure titled “**Credit Verification and Obtaining Financial Information**” for additional information regarding closure of Accounts.

Stop Payments

At your request and risk, we will accept a stop payment request for a check, single ACH transaction, or preauthorized electronic fund transfer (*e.g., recurring debit card or ACH transactions*) on your Account for a Stop Payment fee. Please refer to the Consumer Fee Schedule for a description of the Stop Payment fee. This “**Stop Payments**” Section describes stop payments on checks and single ACH transactions. Please refer to the Section of this Disclosure titled “**Stop Payment of Preauthorized Transfers**” for information about stop payments on preauthorized electronic fund transfers.

To be effective, a stop payment request must be received in time

to give us a reasonable opportunity to act on it, and must precisely identify the Account number, check number (if applicable), date and amount of the item, and the payee. We may accept stop payment requests submitted verbally or via email or fax; but if the request is submitted through email or fax, a follow-up verbal request will be needed for validation of identity. A stop payment on a check will be effective for six (6) months. A stop payment on a single ACH transaction will be effective permanently, until withdrawn by you. It is your responsibility to ensure that all the information supplied on the stop payment form is correct and to promptly inform us of any inaccuracies. If you cannot provide all the information requested in the stop payment authorization, we may not be able to process your request. If you are requesting a stop payment because you believe a check or checks have been lost or stolen, for security purposes we may close the affected Account and open a new one. We will mail a notice to document the receipt of the stop payment request; however, if the stop payment information reflected in that notice is incorrect, it is your responsibility to notify us of the incorrect information. To maintain the validity of a stop payment on a check for more than six (6) months, you must complete a new stop payment request with the required information before the expiration of the six (6) month period. If a new stop payment request is not timely received, the check may be paid.

We are not liable for failing to stop payment if you have not followed these procedures or if your stop payment request comes too late for us to act on it. We are entitled to a reasonable period of time after we receive your stop payment request to notify our employees and take other action needed to stop payment. You agree that a “**reasonable time**” depends on the circumstances, but that we will have acted within a reasonable time if we make your stop payment request effective by the end of the next Business Day after the Business Day on which we receive your stop payment request. If we stop payment, you agree to defend and pay any claims raised against us as a result of our refusal to pay the check or other item on which you stopped payment. If we re-credit your Account after we have paid a check or other item over a valid and timely stop order, you agree to sign a statement describing the dispute you have with the person to whom the check or item was made payable. You also agree to transfer to us all your rights against the payee and any other holder, endorser, or prior transferee of the check or item and to cooperate with us in any legal action taken to collect against the other person(s).

If we are liable for inadvertently paying your check or ACH transaction over a stop payment order, you must establish the amount of your loss caused by our payment of the check or ACH transaction. We will pay you only the amount of the loss, up to the face amount of the check or ACH transaction, together with any Nonsufficient Fund fee(s) we may have imposed that resulted from paying your check or ACH transaction over a stop payment order. However, you understand and agree that we shall not be liable for any indirect, incidental, special, consequential, or punitive damages in connection with such payment(s). We have no duty to stop payment on a cashier’s check, teller’s check, or other similar item because items of this type are not drawn on your Account. However, we may, in our sole discretion, attempt to stop payment on a cashier’s check, teller’s check, or other similar item if you certify to our satisfaction that the item has been lost, stolen, or destroyed. You must also furnish any other documents or information we may require, which may include your affidavit attesting to the facts and your indemnification of the Bank. Even if we agree to attempt to stop payment on a cashier’s check, teller’s check, or other similar item, if the item is presented for payment, we may pay it and you will be liable to us for that item, unless otherwise required by applicable law.

International ACH and Wire Transfers

If your Account receives incoming ACH transactions (*either credits or debits*) or wire transfers initiated from outside of the

United States, both you and we are subject to the Operating Rules and Guidelines of the National Automated Clearing House Association (“**NACHA**”) or the rules of any wire transfer system involved, and the laws enforced by the Office of Foreign Assets Control (“**OFAC**”). Under such rules and laws, we may temporarily suspend processing of a(n) ACH transaction or wire transfer for greater scrutiny or verification against the OFAC list of blocked parties, which may result in delayed settlement, posting, and/or availability of funds. If we determine there is a violation, or if we cannot satisfactorily resolve a suspected or potential violation, the subject funds will be blocked as required by law. If you believe you have adequate grounds to seek the return of any blocked funds, it is your sole responsibility to pursue the matter with the appropriate governmental authorities. Please see the OFAC website for procedures and forms required to seek a release of blocked funds. We may impose an Incoming Wire Transfer fee for any domestic or international incoming wire transfer(s). Please refer to the Consumer Fee Schedule for a description of the Incoming Wire Transfer fee.

Outgoing Wire Transfers

Wire transfers are subject to the laws enforced by the OFAC. Under such laws, we may temporarily suspend processing of a wire transfer for greater scrutiny or verification against the OFAC list of blocked parties, which may result in delayed settlement, posting, and/or availability of funds. If we determine there is a violation, or if we cannot satisfactorily resolve a suspected or potential violation, the subject funds will be blocked as required by law. If you believe you have adequate grounds to seek the return of any blocked funds, it is your sole responsibility to pursue the matter with the appropriate governmental authorities. Please see the OFAC website for procedures and forms required to seek a release of blocked funds. We may impose an Outgoing Wire Transfer fee for any domestic or international outgoing wire transfer(s). Please refer to the Consumer Fee Schedule for a description of the Outgoing Wire Transfer fee (both Domestic and International).

Reliance on Information Provided: Wires are guaranteed funds. You are responsible for providing us with all information required by the “**Beneficiary’s Bank**,” (*as defined under Article 4A of the Uniform Commercial Code*) including the reason for payment, if required. If you give us a request that identifies the “**Beneficiary**” (*i.e., the person to be paid by the Beneficiary’s Bank*) by both name and an identifying account number, payment may be made by the Beneficiary’s Bank based on the identifying account number, even if the account number identifies a person different from the named Beneficiary. Providing incorrect Beneficiary account information or Beneficiary Bank information may result in a delay or failure of the funds reaching the Beneficiary. We will not verify the accuracy of any account or other information provided by you. If your wire instructions are incomplete or unclear, your wire may be rejected. Once the wire is signed, it is considered authorized and final. Wires may be delayed and/or denied pending due diligence reviews per Bank policy.

Cancellation: You may cancel or amend your wire request only if we receive your request prior to our execution of the wire transfer and at a time that provides us with a reasonable opportunity to act upon your request. To initiate such a request, you must speak to a Bank representative at one of our branches or call 800-324-9375. If we have already executed the wire transfer, you may request to recall your wire, in which case you may be required to sign a Hold Harmless Indemnity Agreement before proceeding with the recall request. As wires are guaranteed funds, funds recalled may only be returned if the Beneficiary’s Bank and/or the Beneficiary consent(s) to the request. We will not be liable to you for any loss resulting from the failure of the Beneficiary’s Bank and/or the Beneficiary to return your wire transfer.

Nonsufficient Funds: We may reject any wire transfer request if the Available Balance of your Account is nonsufficient to cover the amount of the requested wire transfer.

Periodic Statements

A statement of activity will be provided for Accounts at regular intervals, no longer than once each calendar year. Checking Accounts, Savings Accounts, and Money Market Accounts are provided with monthly statements. Unless you tell us of a change of address (*e.g., a change of your mailing or email address*), we will continue to mail or deliver electronically statements or any other notices to your address as it appears on our records, and you will be considered to have received those statements and any other notices sent to you at that address. We do not have to send you a statement or notice if we cannot deliver your statement or notice because of your failure to tell us that you have changed your address. If returned undelivered, the statement will be destroyed. Copies of your statements will generally be available upon your request for no additional fee. However, if your request for one or more statements will require us to perform at least one (1) hour of work, you will be charged a Research Fee. Please refer to the Consumer Fee Schedule for a description of the Research Fee. You may receive your statements or notices via electronic delivery. As provided under federal law, we may send notices to you for tax reporting purposes via U.S. Mail, regardless of any instructions which you may have otherwise provided to us.

You should review your statements and balance your Account promptly after you receive them, or promptly after we make them available to you. If you don’t receive an Account statement by the date when you usually receive it, call us at once. You must review your statements to make sure that there are no errors or other problems in the Account information. On Accounts with check-writing privileges, you must review your statement and imaged copies of paid checks, if any, we send you and report any forgeries, alterations, missing signatures, amounts differing from your records, or other information that might lead you to conclude that the check was forged or that, when we paid the check, the proper amount was not paid to the proper person. You have this duty even if we do not return checks to you or we return only an image of the check. You should notify us as soon as possible if you think there is any error or problem with your Account statement. Please refer to the Section of this Disclosure titled “**Time Limit to Report Errors**” for additional information regarding the time in which you must notify us of any errors, forgeries, or other problems with the information shown on your Account statement.

You agree that Account statements and any images of paid checks accompanying the statement shall be deemed to be “**available**” to you as of the statement mailing date, or the date on which electronic statements are available for viewing. Please note that you may view images of your paid checks for no additional fee through our Online and Mobile Service. If you request to have images of your checks included with printed Account statements, you will be charged a Check Images with Monthly Statement fee. Please refer to the Consumer Fee Schedule for a description of the Check Images with Monthly Statement fee. Unless prohibited by applicable law, if you assert against us a claim that an item was not properly payable because, for example, the item was forged or an endorsement was forged, you must cooperate with us and assist us in seeking criminal and civil penalties against the person responsible. It is your responsibility to file reports and complaints with the appropriate law enforcement authorities for these claims, as applicable. If we ask, you also must give us a statement, under oath, about the facts and circumstances relating to your claim. If you fail or refuse to do these things, we will consider that you have ratified the defect in the item and agree that we may charge the full amount of the item to your Account.

Debit Card or ACH Errors

You should review your statements and balance your Account promptly after you receive them, or we make them available to you. If you don’t receive an Account statement by the date when you usually receive it, call us at once. You must review

your statements to make sure that there are no debit card or ACH transactions errors. If you find a discrepancy, please call us immediately at either your local branch or our Client Care Center toll free at 800-324-9375 (Domestic) or (206) 624-7930 (International).

Time Limit to Report Errors

You must notify us within sixty (60) Calendar Days after the date your Account statement is made available to you if you believe there is an error, forgery, or other problem with the information shown on your Account statement. You agree not to assert a claim against us concerning any error, forgery, or other problem relating to a matter shown on an Account statement unless you notified us of the error, forgery, or other problem within sixty (60) Calendar Days after the date we made your Account statement available to you.

Safekeeping

We may destroy original checks not less than sixty (60) Calendar Days after the date your Account statement was made available to you. We will store, at no charge, paid checks drawn against the Account, either in their original form or in electronic media, for a period of seven (7) years. During this period, we will generally provide a copy of any stored item upon your request for no additional fee. However, if your request for one or more stored items will require us to perform at least one (1) hour of work, you will be charged a Research Fee. Please refer to the Consumer Fee Schedule for a description of the Research Fee. If we have not retained the originals, you agree not to make any claim against us arising out of the authorized destruction of your original checks or the clarity or legibility of any copy we provide.

Account Ownership

The following provisions explain certain terms and conditions applicable to your Account depending upon the form of ownership specified on the signature card. Only the portion corresponding to the form of ownership specified will apply.

Individual Accounts

An individual Account is issued to one (1) person who does not intend (merely by opening the Account) to create any survivorship rights for any other person.

Joint Accounts

A joint Account is issued in the name of two (2) or more persons. If more than one of you opens an Account and signs a signature card as a co-owner of an Account, the Account is a joint Account. The following rules apply to all joint Accounts:

- a. Deposits.** All deposits are the property of all the owners of the joint Account. Each owner of a joint Account agrees that we may credit to the joint Account any check or other item which is payable to the order of any one or more of you, even if the check or other item is endorsed by less than all (*or none*) of you. We may supply endorsements as allowed by law on checks or other items that you deposit in the joint Account. For certain checks, such as those payable by the government, we may require all payees to endorse the check for deposit.
- b. Orders.** We may release all or any part of the balance of the joint Account to honor checks, withdrawals, orders, or requests signed by any owner of the joint Account. Any one of you may close the joint Account. We may be required by service of legal process to hold or remit funds held in a joint Account to satisfy an attachment or judgment entered against, or other valid debt incurred by, any owner of the joint Account. None of you may instruct us to take away any of the rights of another. If there is a dispute among you, you must resolve it between (*or among*) yourselves and we do not have

to recognize that dispute in the absence of any valid court order. Unless we receive written notice signed by any owner not to pay any joint deposit, we shall not be liable to any owner for continuing to honor checks or other orders drawn by, or withdrawal requests from, any owner; provided, that after we receive any such written notice, we shall also not be liable to any owner for refusing to pay any checks or honor any orders, and we may require the written authorization of any or all owners for any further payments.

- c. Liability.** Co-owners of a joint Account are jointly and severally liable for activity in the joint Account. In the event of any overdrafts on a joint Account, the joint owners agree that each owner shall be jointly and severally liable for the overdrafts in the joint Account, whether any owner: (a) created the overdraft; (b) had knowledge of the overdraft; (c) was involved in or participated in activity in the joint Account; or (d) derived any benefit from the overdraft.

All joint Accounts are presumed to be joint Accounts with the right of survivorship, unless the applicable state law does not permit this presumption, or we have agreed with you in writing that the Account is owned in another capacity. If the Account is a joint Account with right of survivorship, each of you intends that, upon your death, the balance in the joint Account (subject to any previous pledge to which we have consented), will belong to the survivor(s), and we may continue to honor checks or orders drawn by, or withdrawal requests from, the survivor(s) after the death of any owner(s). If two (2) or more of you survive, you will own the balance in the joint Account as joint tenants with right of survivorship. If the joint Account does not have a right of survivorship, you agree that upon the death of one co-owner, the balance in the joint Account at the time immediately before the death of the co-owner will be deemed to be owned in equal shares between all co-owners. After death and our receipt of notice of such death, the decedent's share will be set aside for the estate of the decedent and the survivors' shares in the joint Account balance will be at the disposal of the surviving co-owners.

No Two-Signer Accounts We do not offer Accounts on which two (2) or more signatures are required for a check or other withdrawal. Notwithstanding any provisions to the contrary on any signature card or other agreement you have with us, you agree that if any Account purports to require two (2) or more signers on items drawn on or withdrawals from the Account, such provision is solely for your internal control purposes and is not binding on us. If more than one (1) person is authorized to write checks or draw items on your Account, you agree that we can honor checks signed by any authorized signer, even if there are two (2) or more lines on the items for signature or two (2) or more signatures are required.

Trust Accounts and Fiduciary Accounts If you have opened the Account as trustee of a written trust or as trustee pursuant to a court order, only the trustee will be allowed to withdraw funds or otherwise transact business on the Trust Account as designated by the applicable trust instrument or court order. We can request a certified copy of any trust instrument (*or a certification of trust in lieu of the trust instrument*) or court order, but regardless of whether a copy (*or certification*) is filed with us, we will not be held responsible or liable to any of the beneficiaries for the trustee's actions. Beneficiaries acquire the right to withdraw funds or otherwise transact business on the Trust Account only as provided in the applicable trust instrument or court order.

Some jurisdictions have specific laws governing other types of Fiduciary Accounts (*e.g., executors, administrators, conservators, guardians, etc.*). If you establish one of these

types of Accounts, you agree to comply with the laws applicable to the type of Fiduciary Account. The person(s) establishing a Trust or other Fiduciary Account may make changes to the Account, including changes to the beneficiaries or the Account type, and may withdraw funds on deposit in the Account, only as permitted by the trust (*or other fiduciary*) instrument or court order. However, with all Trust or other Fiduciary Accounts, regardless of whether a written trust (*or other fiduciary*) instrument or court order has been provided to us, the owners and beneficiaries of the Account agree that we will not be liable if the trustee or fiduciary commits a breach of trust or breach of fiduciary duty or fails to comply with the terms of a written trust (or other fiduciary) instrument or court order or to otherwise comply with applicable law. We are not responsible for enforcing the terms of any written trust (or other fiduciary) instrument, court order, or applicable law against the trustee or fiduciary. We may rely on the genuineness of any document delivered to us, and the truthfulness of any statement made to us, by a trustee or fiduciary.

Uniform Gifts/Transfers to Minors Act Accounts If your Account is opened under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, the funds in the Account belong to the minor you have named. You must provide us the minor's Social Security Number. You, as custodian, or the custodian you have named, may withdraw all the funds from the Account at any time for the benefit of the minor; provided, that we will have no duty or agreement whatsoever to monitor or ensure that the acts of the custodian are for the minor's benefit. Our contractual obligation to honor checks, orders, withdrawals, or other requests related to the Account is with the custodian only. In the event of the custodian's death, the person named as successor custodian (*as provided by law*) will succeed to these rights. When the minor reaches the Age of Majority applicable in his or her jurisdiction, or at another time determined by applicable law, it is the custodian's responsibility to transfer any funds remaining in the Account to the minor or to the minor's estate. We are not responsible for monitoring age or eligibility for the Account, even though our records may include the minor's date of birth. The custodian authorizes us, at our discretion, to exercise the custodian's duty to transfer funds to the minor at the minor's request upon reaching the Age of Majority (*or other time determined by applicable law*).

Minor Accounts We offer Savings Accounts for minors. The minimum balance requirements and fees for Minor Savings Accounts are described in the Consumer Fee Schedule. When the minor reaches the Age of Majority in the state in which the Account is located, we will convert the Account to a regular Savings Account, which will then be subject to the minimum balance requirements and fees for Savings Accounts specified in the Consumer Fee Schedule.

Payable on Death If your Account is opened as a Payable on Death ("POD") Account, you retain complete withdrawal rights in the Account during your lifetime and for your own benefit. The named beneficiaries have no withdrawal rights during your lifetime. You may change or close the POD Account or change beneficiaries.

Time Deposits (Certificates of Deposit) When you open a time deposit, you agree to keep your deposit with us for a specified period or agree to give advance notice prior to withdrawal, and we agree to pay you interest at an agreed upon rate, or an agreed formula for a rate, for that period. We often refer to a time deposit as a "CD" or "**Certificate of Deposit**" even though we do not issue a "**certificate**." We are not required to permit an early withdrawal from a time deposit and if we do, it will be on the condition that you pay an early withdrawal fee and penalty. The amount of that penalty will be disclosed to you when you open such an Account. Please refer to Part II of this Disclosure (*the Truth in Savings Disclosure*) for additional information regarding the terms of Certificates of Deposit, including grace

periods, early withdrawal penalties, and compounding. You may call us at 800-324-9375, visit one of our branches, or go to our Website to find out what CD products and terms we offer.

Fresh Start Account In some circumstances, we may offer Fresh Start Accounts for individuals who are ineligible for a traditional Checking Account due to a negative ChexSystems report, so long as the underlying account(s) reported to ChexSystems have not been reported to ChexSystems as fraudulent and have otherwise been paid in full. If we allow you to open a Fresh Start Account, you must maintain your Account in good standing. A Fresh Start Account will be deemed to be not in good standing if any combination of two (2) or more ACH or debit card transactions are presented that would cause the Account to become overdrawn if those transactions were paid. If this occurs, we may deactivate your WaFd Bank Debit Card and/or close the Fresh Start Account. If you maintain your Fresh Start Account in good standing for twelve (12) consecutive months, you may be eligible for other Bank products and services shortly after the twelve (12) month anniversary of the Account opening date. Please note that Fresh Start Accounts are not eligible and will be excluded from any "new checking" or similar promotions that we may be offering at the time of Account opening.

Power of Attorney

We may, in our sole discretion (*unless we are required by law to recognize a statutory form of power of attorney*), recognize the authority of a person to whom you have given a power of attorney to enter transactions relating to your Account, until and unless we receive written notice, or we have actual notice of the revocation of such power of attorney. However, you must show us an original copy or certified copy of the power of attorney, properly notarized (or otherwise properly witnessed in accordance with applicable law), and any other documentation we may ask for from time to time. The power of attorney and all other documents must be in a form satisfactory to us. We will not be liable for damages or penalties by reason of any payment made to, or in the direction of, a person holding a power of attorney.

Certified Taxpayer Identification Number

or Social Security Number

Federal law requires you to provide us a valid and certified Taxpayer Identification Number ("**TIN**") or Social Security Number ("**SSN**"). We may be required by federal or state law to withhold a portion of the interest credited to your Account in the following circumstances:

- You do not give us a correct TIN or SSN;
- The IRS tells us that you gave us an incorrect TIN or SSN;
- The IRS tells you that you are subject to backup withholding because you have under-reported your interest or other income;
- You fail to certify to us that you are not subject to backup withholding;
- You do not certify your TIN or SSN to us; or
- There may be other reasons why we may be required to do so under applicable law.

If we do this, the amount we withhold will be reported to you and the IRS and applied by the IRS to the payment of any Federal income tax you may owe for that year.

Credit Verification and Obtaining Financial Information

You agree that we may verify your credit and employment history through third parties, including but not limited to consumer reporting agencies, or verify any previous banking relationships

of yours for any Accounts you have with the Bank now or in the future. If an Account is declined based on adverse information, you may request from the consumer reporting agency a copy of the information supplied to us. Additionally, if your Account is closed for nonsufficient funds activity or other negative reason, a report may be made by us to one or more consumer reporting agencies or other third parties if permitted by applicable law. Please notify us if you have a dispute or if you have questions regarding the information we provide by writing to us at: WaFd Bank, 9929 Evergreen Way, Everett, WA 98204. Please provide your name, Account number, and why you believe there is an inaccuracy or describe the item you are not sure about. We will complete any investigation and notify you of our findings and, if necessary, corrections. Please note that calling us will not preserve your rights.

Informal Dispute Resolution Process

Neither you nor WaFd Bank may commence any arbitration or other action (*as either an individual litigant or a member of a class*) arising from the other party’s actions relating in any way to your Account or alleging that the other party has breached any provision of, or any duty owed by reason of, any agreement with WaFd Bank, until you or WaFd Bank has notified the other party pursuant to the notice procedures for the informal dispute resolution process described in this Section, and has given the other party a reasonable period to take corrective action (*if corrective action is appropriate*). You and WaFd Bank agree that a reasonable period to take corrective action will be sixty (60) Calendar Days from the date the required notice was given unless applicable law specifies a shorter period for corrective action to be taken, in which case the time period specified under applicable law will be deemed to be reasonable for purposes of this Section. You must provide this notice once you become aware of a claim and within the time required under applicable law.

All notices given in connection with this informal dispute resolution process by either you or WaFd Bank must be in writing. If WaFd Bank provides notice to you in connection with this informal dispute resolution process, the notice will be considered to have been given to you when mailed to your address by first class mail or when delivered to your address if sent by other means. The notice address will be the address associated with your Account at the time of the notice. There may be only one designated notice address under this informal dispute resolution Section at any one time. Any notice you provide to WaFd Bank shall be given by delivering it or by mailing it by first class mail to us at: WaFd Bank, P.O. Box 1460, Boise, ID 83702. This notice from you will be considered given when WaFd Bank receives the notice. If any notice required by this informal dispute resolution process is also required under applicable law, the applicable law requirement will satisfy the corresponding notice requirement under this informal dispute resolution process.

Arbitration

You and WaFd Bank agree that any dispute relating in any way to your Account or transactions will be resolved by binding arbitration as discussed below, and not through litigation in any court (*except for matters in small claims court*).

This arbitration agreement is entered into pursuant to the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (“**FAA**”).

YOU AND WAFD BANK ARE WAIVING THE RIGHT TO HAVE OUR DISPUTE HEARD BEFORE A JUDGE OR JURY, OR OTHERWISE TO BE DECIDED BY A COURT OR GOVERNMENT TRIBUNAL. YOU AND WE ALSO WAIVE ANY ABILITY TO ASSERT OR PARTICIPATE IN A CLASS OR REPRESENTATIVE BASIS IN COURT OR IN ARBITRATION. ALL DISPUTES, EXCEPT AS STATED BELOW, MUST BE RESOLVED BY BINDING ARBITRATION WHEN EITHER YOU OR WE REQUEST IT.

What claims or disputes are subject to arbitration?

Any claim or dispute relating in any way to your Account, or to any services offered by WaFd Bank, will be resolved by binding arbitration, rather than in court, except that you may assert claims in small claims court if your claims qualify. Any claims or disputes arising from or relating to this Disclosure, any prior account agreement between us, or the advertising, the application for, or the approval or establishment of your Account are also included. Claims are subject to arbitration, regardless of what theory they are based on or whether they seek legal or equitable remedies. A claim includes disputes about the validity, enforceability or scope of this Arbitration Section. You and WaFd Bank agree that any issues as to arbitrability are delegated for resolution by the arbitrator. Arbitration applies to any and all such claims or disputes, whether they arose in the past, may currently exist or may arise in the future.

Class Actions and Representative Actions

Claims in arbitration will proceed on an individual basis, on behalf of the named parties only. YOU AND WE AGREE NOT TO:

- SEEK TO PROCEED ON ANY CLAIM IN ARBITRATION AS A CLASS CLAIM OR CLASS ACTION OR OTHER COMPARABLE REPRESENTATIVE PROCEEDING;
- SEEK TO CONSOLIDATE IN ARBITRATION ANY CLAIMS INVOLVING SEPARATE CLAIMANTS (EXCEPT FOR CLAIMANTS WHO ARE ON THE SAME ACCOUNT), UNLESS ALL PARTIES AGREE;
- BE PART OF, OR BE REPRESENTED IN, ANY CLASS ACTION OR OTHER REPRESENTATIVE ACTION BROUGHT BY ANYONE ELSE; OR
- SEEK ANY AWARD OR REMEDY IN ARBITRATION AGAINST OR ON BEHALF OF ANYONE WHO IS NOT A NAMED PARTY TO THE ARBITRATION.

If these terms relating to class or representative procedures are legally unenforceable for any reason with respect to any claim or dispute, then the arbitration requirements above will be inapplicable to the claim or dispute, and the claim or dispute will instead be handled through litigation in court rather than by arbitration. No arbitrator shall have authority to entertain any claim or dispute on behalf of a person who is not a named party, nor shall any arbitrator have authority to make any award for the benefit of, or against, any person who is not a named party.

Does arbitration apply to claims and disputes involving third parties?

Arbitration applies whenever there is a claim or dispute between you and WaFd Bank. If a third party is also involved in a claim or dispute between you and WaFd Bank, then the claim or dispute will be decided with respect to the third party in arbitration as well, and it must be named as a party in accordance with the rules of procedure governing the arbitration. No award or relief will be granted by the arbitrator except on behalf of, or against, a named party. For purposes of arbitration, “**you**” includes any person who is listed on your Account, and “**WaFd Bank**” includes Washington Federal Bank, all of its affiliates, and all third parties who are regarded as agents or representatives of ours in connection with a claim or dispute. (*If we assign your Account to an unaffiliated third party, then “WaFd Bank” includes that third party.*) The arbitration may not be consolidated with any other arbitration proceeding.

How does arbitration work?

The arbitration will be conducted by the American Arbitration Association (AAA) under its rules, including the AAA’s Supplementary Procedures for Consumer-Related Disputes. The AAA’s rules are available at www.adr.org or by calling 800-778-7879. Payment of all filing, administration, and arbitrator fees will be governed by the AAA’s rules.

The arbitrator will decide the claim or dispute in accordance with all applicable law, including recognized principles of equity and statutes of limitations, and will honor all claims of privilege recognized by law. The arbitrator will have the power to award to a party any damages or other relief provided for under applicable law. A single arbitrator will conduct the arbitration and will use applicable substantive law, including the Uniform Commercial Code, consistent with the FAA and the applicable statutes of limitations or conditions precedent to suit, and will honor claims of privilege recognized at law. The arbitrator can award damages or other relief provided for by law to you or us, but not to anyone else. The arbitrator’s authority is limited to the claims or disputes between you and WaFd Bank.

There is no judge or jury in arbitration, and court review of an arbitration award is limited. However, an arbitrator can award on an individual basis the same damages and relief as a court (*including injunctive and declaratory relief or statutory damages*) and must follow the terms of this Disclosure as a court would. The arbitrator’s decision will be final and binding on the parties. A party can file a written appeal to the arbitration administrator within thirty (30) days of award issuance. The appeal must request a new arbitration in front of three (3) neutral arbitrators designated by the same arbitration administrators. The panel will reconsider all factual and legal issues, following the same rules of procedure, and will make decisions based on majority vote. Any final arbitration award will be binding on the named parties and enforceable by any court having jurisdiction.

Who will pay for costs?

WaFd Bank will pay any costs that are required to be paid by us under the arbitration administrator’s rules of procedure. Even if not otherwise required, we will reimburse you up to \$200 for any initial arbitration filing fees you have paid. All other fees will be allocated according to the arbitration administrator’s rules and applicable law. If you consider that you are unable to afford any fees that would be yours to pay, you may request that we pay or reimburse them, and we will consider your request in good faith.

How do I file an arbitration claim?

To begin an arbitration proceeding, you must send a letter requesting arbitration and describing your claim to us at: WaFd Bank, P.O. Box 1460, Boise, ID 83702.

Legal Process

We are not obligated to honor any claim against or involving an Account unless we are required to do so by order of an arbitration proceeding, court or government agency that has jurisdiction over us, or pursuant to applicable law. This rule applies to any person asserting any rights or interest regarding an Account, including you and other persons who are authorized to make withdrawals or write checks or who present a power of attorney signed by you.

If we receive notice of any claim or dispute or of any legal proceeding we reasonably believe involves you or any of your Accounts, in our discretion we may suspend transactions on any Account which we believe to be affected until final determination of the claim, dispute, or legal proceeding. We may place a hold on any funds in the Account and suspend transactions whether the affected Account is in your name alone or is a joint Account. An Account may be suspended even though the suspension may have been due to inadvertence, error because of similarity of the names of depositors, or other mistake. You agree that we may comply with any state or federal legal process, including, without limitation, any writ of attachment, adverse claim, execution, garnishment, tax levy, restraining order, subpoena, or warrant relating to you or your Account which we reasonably believe to be valid and without restriction under applicable law, without any liability from us to you. You agree that if we are properly served with legal process at any of our branches or offices, we

may comply with it, even if it is served at a location other than where your Account was opened, as may be permissible under applicable law. Further, you agree that we may comply with such process as we deem appropriate under the circumstances, even if the legal process or document appears to affect the interest of only one owner of a joint Account. In such case, we may refuse to permit withdrawals or transfers from your Account until such legal process is satisfied or dismissed, even if such action results in nonsufficient funds to pay a check you have written or otherwise satisfy an obligation you may have incurred.

You agree that we are entitled to a Legal Processing fee, for which you are liable to us, upon receipt of any legal process. Please refer to the Consumer Fee Schedule for a description of the Legal Processing fee. We may deduct such Legal Processing fee, as well as any costs or expenses (*including, but not limited to, reasonable attorneys’ fees*) that we incur in connection with any such legal process, from your Account or any other Account you may have with us without prior notice to you, or we may bill you directly for such costs, expenses, and Legal Processing fees. Any garnishment, attachment, or other levy against your Account shall be subject to our right of offset and security interest.

You agree that we will not pay, and you shall not be entitled to receive interest on any funds we hold or set aside in connection with or in response to legal process. Finally, you agree that we may accept and comply with legal process, irrespective of how and/or where it was received even if the law requires any particular method of service.

Without limiting your indemnification obligations otherwise set forth in the Account Agreement, you agree to indemnify us against all losses, liabilities, penalties, claims, damages, costs, expenses, or other harm or injury (*including, but not limited to, court costs and reasonable attorneys’ fees*) which we may incur or suffer by reason of responding to or initiating any legal process, including any interpleader action we commence involving you or your Account. As part of that indemnity, in the event we incur liability to a creditor of yours as a result of our response or failure to respond to a legal process, you agree to pay us on demand the amount of our liability to your creditor and to reimburse us for any expense, attorneys’ fees, or other costs we may incur in collecting the amount from you.

We may, in our sole discretion and without any liability to you, initiate an action in interpleader to determine the rights of the persons making adverse claims to your Account. We may exercise the right regardless of whether the persons making the adverse claims have complied with all statutory requirements pertaining to adverse claims, such as posting a bond or giving other surety. Upon initiation of an interpleader action, we will be relieved and discharged of all further duties and obligations.

Restricting Your Account

In addition to other reasons specified in the Account Agreement, we may refuse to open your Account or decline or prevent transactions to or from your Account to protect you or us, or to comply with legal or regulatory requirements. We may refuse, freeze, reverse, or delay any specific withdrawal, payment, or transfer of funds from your Account to hold them pending investigation, including in one or more of the following circumstances:

- We receive conflicting information or instructions regarding Account ownership, control, or activity;
- We suspect that you may be the victim of a fraud or scam or financial exploitation, even though you have authorized the transaction(s);
- We suspect that any transaction may involve illegal activity or may be fraudulent;
- We are complying, in our sole judgment, with any

federal, state, or local law, rule, or regulation, including federal asset control and sanction rules and anti-money laundering rules, or with our policies adopted to assure that we comply with those laws, rules, or regulations;

- You fail to provide us with any information, documentation, or materials relating to you and/or your Account(s) that we require or request from time to time; or
- We reasonably believe that doing so is necessary to avoid a loss or reduce risk to us.

We also may limit cash deposits to, or withdrawals from, your Account (*or all of your Accounts, collectively*) in a single transaction or total withdrawals or deposits during any period of time, or who may make deposits, in order to reduce risk and/or enhance our efforts to comply with applicable law. Subject to applicable law, we will have no liability for any action we take under this Section.

If You Owe Us Money

If you withdraw funds from your Account that you do not have a right to withdraw, including the amount of a check or other item which we later charge back to your Account or any amounts that may be credited to your Account in error, you will have to pay us back. If you do not, we can bring a lawsuit against you to get the money back. We can also do this if you owe us any fees or charges in connection with your Account and you do not pay us. If we bring a lawsuit against you, you agree to pay our court costs and reasonable attorneys’ fees as awarded by the court and as permitted by law.

Right of Offset

Unless we are prohibited by applicable law, we may take any funds in any of your Accounts to pay any debt you owe us that is in default. This is called the right of offset and applies to all funds of yours in our possession now or in the future but does not apply to funds held in an IRA or other tax deferred Account. We can use this right of offset without giving you any notice (*unless notice is required by applicable law*) and without going through any legal processes or court proceedings. If this is a joint Account, the right of offset applies to deposits of each co-owner to pay the debts owed to us by any or all of you. Likewise, we may withdraw money from an Account owned by only one person and apply it to reduce the joint debt of that person and another person. This right of offset does not apply to your Account if the debtor’s right of withdrawal arises only in a representative capacity or if the debt arises from a consumer credit card.

We also have a right to place a hold on funds in your Account(s) if we have a claim against you or pending exercise of our right of offset. If we place a hold on your Account, you may not withdraw funds from the Account, and we can refuse to pay checks or other items drawn on the Account. In addition to any right of offset, you hereby grant to WaFd Bank a security interest in your Accounts to secure all loans or other extensions of credit with the Bank, now or in the future.

Death/Incompetence

Your death, or a declaration that you are legally incompetent to handle your affairs, does not end our authority to pay checks signed or other items authorized by you, to accept deposits, or to collect items deposited until we receive written notice of your death or declared incompetence. Even after we receive such notice, we can pay checks or other items authorized by you before your death or declared incompetence for such period permitted under applicable law.

On joint Accounts, your death or declared incompetence does not affect the rights of any other owner of the Account to make deposits, make withdrawals or, if applicable, write checks. We may require the surviving owners and any in-trust-for Account beneficiaries to

provide reasonable proof of your death or incompetence and, in some jurisdictions, provide any tax releases or other documents or consents needed from government authorities before we pay any checks or other items authorized on your joint Account or allow the surviving owners or beneficiaries to withdraw any funds from the Account. Each of you is responsible for notifying us when any other joint Account owner dies.

Certain checks or other items made payable to a deceased joint Account owner (*e.g., Social Security benefits or disability and SSI payments, VA benefits, pension payments, automatic payroll deposits, etc.*) must be returned to the issuer or originator and may not be used, cashed, or disposed of in any other way by the surviving Account owner(s). If such checks or items are used, cashed, or disposed of by any one or all of the surviving Account owner(s), each Account owner remains liable for the check or item and any charges, fees, or other penalties incurred as a result of the improper use of the check or item. In our discretion, and subject to applicable law, we can charge your Account for these checks or items and remit payment to the issuer or originator of the check or item.

Abandoned Accounts and Unclaimed Property

State and federal law and our policy govern when Accounts are presumed abandoned. The applicable state law is generally the laws of the state reflected in your last-known residential address on your Account statement. Your Account is usually presumed abandoned if you have not performed at least one (1) of the following activities for the period specified in the applicable state’s unclaimed property law: (a) made a deposit or withdrawal; (b) written to us about the Account; or (c) otherwise shown an interest in the Account, such as asking us to keep the Account active. Our fees, charges, and interest payments, and automatic deposits and withdrawals, are usually not considered activities that will rebut this presumption.

We are required by the unclaimed property laws to turn over funds in Accounts presumed abandoned to the applicable state agency. Before we turn over funds in an abandoned Account, we may send a notice to the address we currently show for the Account statement. However, we may not send this notice if mail we previously sent to this address was returned. Unless prohibited by applicable law, we may charge to the Account our costs and expenses of any notice, advertisement, payment, and/or delivery of the Account to the applicable state agency. After we turn the funds over to the state agency, we have no further liability to you for the funds and you must apply to the appropriate state agency to reclaim your funds.

Inactive Accounts

We will consider your Checking Account inactive if there is no activity in your Account for a period of two hundred seventy (270) consecutive Calendar Days. We will consider your Savings Account or Money Market Account inactive if there is no activity in your Account for a period of one (1) year. If we consider your Account inactive, then (*unless prohibited by applicable law*) we may:

- Charge Inactive Account Fees on the Account in addition to regular monthly maintenance and other fees. Please refer to the Consumer Fee Schedule for a description of the Inactive Account Fee(s);
- Stop sending Account statements, even if the Account received interest;
- Stop paying interest on the Account; and/or
- Refuse to pay items drawn on or payable out of the Account.

If you re-establish contact with us, we do not have to reimburse you for any Inactive Account Fee(s) or other regular monthly maintenance or other fees, and we are not liable to you for any interest that would otherwise have accrued on your Account.

Limited Liability

If we make a mistake and, for example, charge you more than we should have, we will correct the error, so long as you give us sufficient and timely notice under the Account Agreement and applicable law and an opportunity to fix it. You agree that, to the extent not prohibited by applicable law or the Account Agreement, we will not be liable to you for performing or failing to perform our services under or in connection with the Account Agreement unless we have acted in bad faith. If a court establishes our liability to you under the Account Agreement, unless prohibited by applicable law or the Account Agreement, you agree that you may recover only your actual damages from us and we will not be liable for any indirect, incidental, special, consequential, or punitive damages. Neither the Account Agreement nor your deposit relationship with us creates a fiduciary, quasi-fiduciary, or special relationship between you and us. Our deposit relationship with you is that of debtor and creditor. Our internal policies and procedures are solely for our own purposes and do not impose on us a higher standard of care than otherwise would apply by law without such policies or procedures.

Default

Your Account may be in default if: (a) you have repeatedly overdrawn your Account; (b) you do not repay immediately any overdraft; (c) you do not comply fully with any term or condition of the Account Agreement or of any other agreement you may have with us; or (d) you give us false or misleading information about yourself or any of your deposit or credit relationships with us or with others. If you are in default, we may close any or all your Accounts without notice (*unless notice is required under applicable law*), or we may exercise all available rights and remedies provided elsewhere in the Account Agreement or other agreements and all rights and remedies available at law or equity.

Indemnity

Without limiting your indemnification obligations otherwise set forth in the Account Agreement, you agree to indemnify us and hold us harmless from and against any and all losses, liabilities, penalties, claims, damages, costs, expenses, or other harm or injury (*including, but not limited to, court costs and reasonable attorneys’ fees*) that we may incur as a result of any claim asserted against us by any third party arising out of any action at any time taken or omitted to be taken by (a) you under or in connection with the Account Agreement, including, but not limited to, your failure to observe and perform properly each and every obligation in accordance with the Account Agreement and any other agreement which you enter into with us; or (b) us in reliance upon any certification, evidence of authority, or other document or notice given or purporting to have been given by you to us, or any information or order which you provide to us. This indemnification does not apply to claims that you may assert against us, or to any amounts we are obligated to pay you under the terms of the Account Agreement or applicable law.

If you give us instructions that we believe may expose us to potential liability, we may refuse to follow your instructions. If we decide to follow your instructions, you agree to indemnify us and hold us harmless against all losses, liabilities, penalties, claims, damages, costs, expenses, or other harm or injury (*including, but not limited to, court costs and reasonable attorneys’ fees*) that we may incur in following your instructions. In addition, we may ask you for certain protections, such as a surety bond or your indemnity in a form satisfactory to us, before we agree to follow any such instructions.

Jury Trial Waiver

YOU AND WE EACH AGREE THAT NEITHER YOU NOR WE SHALL (A) SEEK A JURY TRIAL IN ANY LAWSUIT, PROCEEDING,

COUNTERCLAIM, OR ANY OTHER ACTION BASED UPON, OR ARISING OUT OF, THE ACCOUNT AGREEMENT OR ANY ACCOUNT OR THE DEALINGS OF THE RELATIONSHIP BETWEEN YOU OR US, OR (B) SEEK TO CONSOLIDATE ANY SUCH ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THE PROVISIONS OF THIS SECTION SHALL BE SUBJECT TO NO EXCEPTIONS. NEITHER YOU NOR WE HAVE AGREED WITH OR REPRESENTED TO THE OTHER THAT THE PROVISIONS OF THIS SECTION WILL NOT BE FULLY ENFORCED IN ALL INSTANCES. YOU AND WE EACH ACKNOWLEDGE THAT THIS WAIVER HAS BEEN KNOWINGLY AND VOLUNTARILY MADE.

Demand Deposit Accounts and Sub-Accounts

For regulatory accounting purposes, all Checking Accounts consist of two separate sub-accounts: a transaction sub-account, and a non-transaction sub-account. We may periodically transfer funds between these two sub-accounts without notice to you, as often as once a day. On a sixth transfer during a calendar month, any funds in the non-transaction sub-account will be transferred back to the transaction sub-account. This process will not affect your Available Balance, the interest you may earn, FDIC insurance protection, or your monthly Account statement.

These sub-accounts are treated as a single Checking Account for the purposes of deposits and withdrawals, access and information, statement reporting, and any fees or charges. There are no separate or additional balance requirements, fees, or charges associated with the creation of these sub-accounts. If your Checking Account is a non-interest bearing Account, neither the transaction sub-account nor the non-transaction sub-account receives any interest. If your Checking Account is an interest-bearing Checking Account, both the transaction sub-account and the non-transaction sub-account always receive the same interest rate, and your periodic statement will reflect a single blended Annual Percentage Yield (“**APY**”) and APY Earned.

Changes to Our Agreement with You

We may amend the Account Agreement in whole or in part from time to time, including by adding, deleting, or amending existing terms, or adding or discontinuing services or accounts, by providing you with notice by mail to the address we currently have for your statement, or if you have agreed to this method, by providing it to you electronically. Any change is effective immediately, unless required otherwise by applicable law. If a notice of a change to the Account Agreement is returned to us as being undeliverable or if we stop sending notices to you because notices or statements, we previously sent you were returned as being undeliverable, you understand that the notices are available to you at our branches, and you agree to that method of delivery. Unless otherwise required by applicable law, we may also amend the Account Agreement without prior notice by posting the information in our branches, on our Website, or otherwise making it available to you. If we notify you that the terms of your Account have changed or make the changes available as described above and you continue to have your Account after the effective date of the change, you have agreed to the new terms. You can obtain a copy of our current Account Agreement in our branches or on our Website.

Closing Your Account

You or we may close your Account at any time for any reason or no reason without prior notice. If your Account is closed before interest is credited, you will receive the accrued interest. If we close the Account, we will advise you in writing that we have done so and mail you a check for the collected Account balance. We may, in our sole discretion, withhold a sufficient sum to cover any outstanding items and likely fees or charges. If we withhold any money for such contingencies, we will refund the

remaining funds after we are satisfied that no further withholding is necessary. If you close the Account, note that we may require a signature from you in connection with your instructions to close the Account. You will still be responsible for any outstanding checks written, or fees, charges, or overdrafts incurred before, during, or after the time you closed the Account. We are not required to close the Account at your request if the Account is overdrawn or subject to legal process (*such as a garnishment, attachment, execution, levy, or similar order*), or until all known authorized or outstanding items (*including checks, ATM, point-of-sale, ACH, and other electronic transactions*) have been paid from your Account and any outstanding disputes (*including but not limited to disputes regarding electronic transfers, ACH transactions, or other unresolved internal research requests/disputes concerning the Account*) have been resolved. In those cases, we will restrict your Account against all future withdrawals (*other than under legal process*) until those authorized or outstanding items are paid or returned, the Account balance is no longer overdrawn, and/or any legal process or dispute has been resolved. Subject to applicable law, if your Account is inactive and has a zero balance for at least ninety (90) days, we will assume you intend to abandon your Account, in which case we may close it.

After your Account is closed, we have no obligation to accept deposits or pay any outstanding checks or other items, but we may, in our sole discretion, reopen your Account if we receive a deposit for credit or a check or other item is presented for payment from the Account, or to resolve any outstanding disputes. We will have no liability for refusing to honor any item or request for payment presented on a closed Account. If we do not reopen your Account, any items presented for payment after an Account has been closed will be returned to the payee and you will be liable for any associated fees or charges and any additional deposits or electronic credits (*e.g., Social Security benefits or disability and SSI payments, VA benefits, pension payments, automatic payroll deposits, etc.*) will be returned to the issuer or originator.

Governing Law

Unless otherwise stated, your Account(s) and the Account Agreement will be governed by federal law and, unless superseded by federal law, by the law of the state where your Account is located. If you opened your Account in person, the Account is located in the state in which you opened it. If you opened your Account online (*through our Website or Mobile Banking App*) or by telephone and you reside in a state in which we have a branch at that time, the Account is located in the state in which the branch is located. If you reside anywhere else, then your Account is located in the State of Washington.

Severability and Change of Law by Agreement

A determination that any part of the Account Agreement is invalid or unenforceable will not affect the remainder of the Account Agreement. If any part of the Account Agreement is inconsistent with any applicable law, then to the extent the law can be amended or waived by contract, you and we agree that the Account Agreement governs, and the law is amended or waived by the Account Agreement.

Venue and Limitation on Bringing Contract Claims

In the event of any action arising out of or relating to your Account or the Account Agreement, venue shall be in a state or federal court closest to either the principal office or the city where the Account was established with us. If either party chooses to have disputes resolved by arbitration, the Arbitration Section of this Disclosure governs the process and location of the arbitration proceedings. Subject to applicable law, you agree that any arbitration or other action in relation to an alleged breach of this Disclosure shall be commenced within one (1) year of the alleged breach, without regard to the date the alleged breach is discovered.

Attorneys’ Fees

In any action arising out of or relating to your Account or the Account Agreement, the prevailing party will be entitled to recover costs and reasonable attorneys’ fees.

Online and Mobile Banking

We also offer Online Banking and Mobile Banking services through our Website and Mobile Banking App, respectively (collectively, the “**Online and Mobile Service**”). Use of the Online and Mobile Service is also governed by the Online Banking Agreement, which is available on our Website and in printed form upon request at your local branch. In order to use the Online and Mobile Service, you must agree to the terms and conditions of the Online Banking Agreement. Please refer to the Online and Mobile Banking Agreement for additional information about our Online and Mobile Service.

Part II: Truth in Savings Disclosure

Accounts Covered

Accounts covered by this Part II include all deposit Accounts, including Checking Accounts, Money Market Accounts, Certificates of Deposit, and Savings Accounts. Your Account will be considered open when you sign a signature card (*whether in writing or electronically*) and we receive credit for your initial deposit. You must also complete and sign any other Account documentation that we may require from time to time to maintain your Account.

Consumer Fee Schedule and Rate Sheet

At Account opening, you will receive copies of our Consumer Fee Schedule and our Rate Sheet. The Consumer Fee Schedule sets out certain fees and charges applicable to your Account(s), including any monthly service fees. The Rate Sheet sets out certain Account information and disclosures required under the federal Truth in Savings Act and its implementing regulation, Regulation DD, including Annual Percentage Yield (APY) information, interest rates, and minimum-balance requirements. As noted above, copies of our Consumer Fee Schedule and Rate Sheet are available on our Website and in printed form upon request at your local branch. Both the Consumer Fee Schedule and the Rate Sheet are considered a part of this Disclosure.

Minimum Balance Requirements (*Checking Accounts, Savings Accounts, and Money Market Accounts*)

Minimum Balance To Open an Account: To open a Checking Account, Savings Account, or Money Market Account, you must deposit the “**Minimum Balance to Open**” specified for your type of Account shown in the Consumer Fee Schedule.

Minimum Balance to Earn Interest: No interest is accrued for any day(s) the collected balance in your Account falls below the “**Minimum Balance to Earn Interest**” for your type of Account shown in the Consumer Fee Schedule.

Service Charges: For Savings Accounts and Money Market Accounts, a Service Charge (*specified for your type of Account in the Consumer Fee Schedule*) will be imposed for any monthly statement period in which the collected balance in your Account falls below the specified “**Minimum Balance to Waive Service Charge**” on any day of that monthly statement period. For Stellar Plus Checking Accounts, a Service Charge (*specified in the Consumer Fee Schedule*) will be imposed for any monthly statement period in which the average daily balance for that monthly statement period falls below the specified minimum balance(s) shown in the Consumer Fee Schedule. The “**average daily balance**” is calculated by adding the principal in the Account for each day of the monthly statement period and dividing that

figure by the number of days in the monthly statement period. The Service Charge for a Stellar Plus Checking Account will be waived for any monthly statement period in which, on the last day of the monthly statement period, the balance of that Stellar Plus Checking Account, together with all other deposit Accounts with the same TIN(s) or SSN(s), exceeds the amount specified in the Consumer Fee Schedule to waive the Service Charge.

Interest Rate Information

The current interest rate on your Account and the Annual Percentage Yield (APY) are shown on our Rate Sheet. You may also call 800-324-9375 for current interest rate and APY information. The interest rate and APY may change. In order to obtain the APY disclosed on the Rate Sheet, you must maintain the required minimum balance in the Account each day for that Account type and APY. We compound interest monthly and credit interest on the last day of the statement cycle.

Computation Method

We use the daily balance method to calculate interest. This method applies a daily periodic rate to the principal in your Account each day. Interest begins to accrue no later than the Calendar Day we receive credit for the deposit of non-cash items (e.g., checks). Interest on cash deposits begins to accrue on the same Calendar Day we receive them. Interest begins to accrue on the same Calendar Day a wire transfer is received if we receive the wire transfer by 2:00 PM Pacific Time; otherwise, interest begins to accrue on the next Calendar Day. Interest is earned on the entire balance in the Account that day, compounded on a daily basis, and credited to your Account on a monthly basis using a 365-day year (*or 366-day year in a leap year*). For blended-rate Accounts (*i.e., “tiered-rate” Accounts*), different interest rates will apply to specified balance levels. Please refer to the Rate Sheet for additional information about blended-rate Accounts (*e.g., applicable tiers, interest rates, and APYs*).

Time Deposits (*Certificates of Deposit*)

Time deposits or certificates of deposit are referred to in this Disclosure as “**Certificates**” or “**Certificates of Deposit**.” Further, the term “**Grace Period**” means the ten (10) Calendar Day period following the maturity date of your Certificate.

Interest:

Basis: 365/365 (*366/366 leap year*) compounded daily. Interest begins to accrue no later than the Calendar Day we receive credit for the deposit of non-cash items (*e.g., checks*). Interest begins to accrue on the same Calendar Day cash deposits are received. Interest begins to accrue on the same Calendar Day a wire transfer is received if the wire transfer is received by 2:00 PM Pacific Time; otherwise, interest begins to accrue on the next Calendar Day. We use the daily balance method to calculate interest. The daily balance method applies a daily periodic rate to the principal in your Account each day.

Rate: The current interest rates for Certificates of Deposit are shown on our Rate Sheet. You may also call 800-324-9375 or visit one of our branches for current interest rate and APY information. The interest rate is set according to the term and deposit amount of the Certificate at the time of opening and is fixed for the term of the Certificate. The interest rate will not change due to additions, if allowed, or withdrawals. Interest credited must be left in the Certificate to earn the disclosed Annual Percentage Yield (APY). Any withdrawals of interest or principal will reduce earnings. The interest rate on deposits of more than \$1,000,000 is negotiable and must be approved in advance by the Bank.

Crediting: Accrued interest is credited on or before the last Calendar Day of the quarter and on the Calendar Day prior to the maturity date. If the term of your Certificate of Deposit is one (1) year or less, interest may be deferred by being paid on

the Calendar Day prior to maturity only. If the term of your Certificate of Deposit is greater than one (1) year, interest must be paid at least annually (December 31) and at maturity. Interest credited and available may be withdrawn anytime without penalty within the current term but if you withdraw interest prior to the maturity date you may not earn the disclosed APY.

Minimum Balance: \$1,000 (*\$500 for minor Accounts*) is required to open and maintain a Certificate of Deposit. If your Certificate of Deposit balance falls below the minimum, it may be closed and be subject to an early withdrawal penalty (as described below).

Initial Deposit or Additions: Deposits to establish Certificate of Deposit or additions to the Certificate during the Grace Period are credited subject to final collection. We do not accept credit card checks. We do not allow additions during the term unless the Certificate of Deposit is held in an IRA, SEP-IRA, ESA, or Keogh Plan.

Renewal: The Certificate will automatically be renewed for the renewal term specified on the maturing Certificate at the interest rate offered at the time of renewal for Certificates with like amounts and maturities. Any accumulated interest becomes principal upon renewal and, unless withdrawn during the Grace Period, will be subject to penalty if withdrawn during the new term. We will give you thirty (30) days’ notice if we do not renew the Certificate. If we do not renew the Certificate, on the maturity date the Account will begin earning at the then-current rate and computation method applicable to our Savings Accounts.

Early Withdrawal Penalty: We will impose a penalty if you withdraw any of the deposited funds prior to the maturity date of the Certificate. We calculate the penalty using the same rate and computation method we disclosed on the Certificate of Deposit. The amount of the penalty depends on the current term of the Certificate, as follows:

Term	Interest Penalty
One (1) year or less	90 days Interest
Longer than one (1) year, up to four (4) years	180 days Interest
Four (4) years or longer	365 days Interest

We will charge the full penalty regardless of the amount of time the funds have been on deposit. However, we will not impose a penalty to close or transfer the entire balance of the Certificate in the event of the death or declaration of incompetency of any Account holder.

Grace Period: During the Grace Period you may add or withdraw funds, subject to the minimum balance requirements, without interest penalty. We will pay interest on funds withdrawn during the Grace Period at the renewal term rate calculated on a simple interest basis. If you close your Certificate of Deposit during the Grace Period, we will pay interest on the amount withdrawn calculated at the then-current Savings Account rate on a simple interest basis. You may only make changes during the Grace Period once, and you must give us all instructions for changes at the same time. Once a change is made, the Certificate renews, the Grace Period expires, and no additional changes are allowed. If the interest posting cycle ends during the Grace Period, we will post interest to the Account in the next cycle.

Additional Rules for IRA, SEP-IRA,

ESA and Keogh Plans

Minimum Balance: \$100 if the term of the Certificate is twenty-three (23) months or less. If the term of the Certificate exceeds twenty-three (23) months, the minimum balance is \$1,000.

Additions: If the term of the Certificate is twenty-three (23)

months or less, regular annual contributions are allowed during the term. Transfers within the plan, trustee transfers, and rollover contributions are allowed only during the Grace Period.

Waiver of Early Withdrawal Penalty: Upon reaching age 59-1/2, we will waive the early withdrawal penalty on participant distributions from an IRA or KEOGH Plan up to an accumulative 20% of the opening (or last renewed) Certificate balance in a calendar year.

Fees

Please refer to the Consumer Fee Schedule for a full listing of fees and charges that may apply to your Account. If you would like more information about your Account, please call us at 800-324-9375 or visit your local branch.

Part III: Funds Availability Disclosure

Funds **“availability”** means your ability to withdraw funds from your Account, whether those withdrawals are made in cash, by check, automatic payment, or any other method we offer you for access to your Account. If deposited funds are not available to you on a given day, you may not withdraw funds in cash, and we may not use the funds to pay items that you have written or honor other withdrawals you request. If we pay items that you have written or honor other withdrawals before funds are available to you, this may result in an overdraft. Please refer to Part I of this Disclosure, and the Section titled **“Overdraft Policy,”** for additional information regarding overdrafts.

Your Ability to Withdraw Funds

Our policy is to generally make available certain funds deposited in your Account on the first Business Day after we receive your deposit. In some cases, we may delay your ability to withdraw funds beyond the first Business Day.

Determining the Availability of a Deposit

The day funds become available, and the length of the delay, is determined by counting Business Days from the day of your deposit. If you make a deposit in person on a Business Day when we are open, we will consider that Business Day to be the day of your deposit for purposes of calculating when your funds will become available. If your deposit is not made in person, we will consider that the deposit was made on the Business Day that you made the deposit.

The length of the delay varies depending on the type of deposit and is explained below. We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will disclose to you when the funds will be available. This disclosure will be given at the time of deposit. If a hold is placed after the transaction has occurred or on a mail or night drop check deposit, written notice will be mailed no later than the next Business Day.

Same Day Availability

Funds from electronic direct deposits to your Account will be available on the day they are received into your Account.

Next-Business Day Availability

Funds from the following deposits are available on the first Business Day after the day of your deposit:

- Wire Transfers

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first Business Day after the day of your deposit:

- Cash

- U.S. Treasury checks payable to you
- State and local government checks payable to you

- Cashier’s, certified, and teller’s checks that are payable to you, and

- Federal Reserve Bank checks, Federal Home Loan Bank checks, U.S. Postal Service money orders, and traveler’s checks, if these items are payable to you.

Other Check Deposits

If you make a check deposit in person to one of our employees, the funds deposited will be available on the first Business Day after the Business Day of your deposit. If the amount of the deposit is not already collected, these checks are subject to a case-by-case delay, but the remaining funds will generally be available on the second Business Day after the day of your deposit.

Holds on Other Funds (*Other Accounts*)

If we accept deposit of a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another Account with us.

Special Rules for New Accounts

If you are a new client, the following special rules will apply during the first thirty (30) Calendar Days your Account is open:

- Funds from electronic direct deposits will be available on the Business Day they are received into the Account.
- Funds from cash deposits made in person to one of our employees and wire transfers will be made available on the first Business Day after the day of deposit.
- The first \$5,525 of a day’s total deposits of U.S. Treasury checks, state and local government checks, cashier’s, certified, and teller’s checks, Federal Reserve Bank checks, Federal Home Loan Bank checks, U.S. Postal Service money orders, and traveler’s checks, if these items are payable to you, will be made available on the first Business Day after the day of deposit. The excess over \$5,525 will generally be made available by the fifth Business Day after the day of deposit. Please also refer to the Section of this Disclosure titled **“Longer Delays May Apply”** for additional information.
- Funds deposited from other domestic checks not listed above will be made available no later than the fifth Business Day after the day of deposit.

Longer Delays May Apply

In some cases, we will not make available to you, funds deposited by check by the first Business Day after the Business Day of deposit. Depending on the type of check you deposit, funds will be made available to you no later than the fifth Business Day after deposit. Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid (*for example, there are alterations or changes to the face of the check, or missing information on the check, or the endorsement is missing or appears invalid, or we receive information from the paying bank that the check will not be honored, or state or federal law prohibits the paying of a check*);
- You deposit other domestic checks totaling more than \$5,525 on any one (1) Calendar Day;
- Your Account(s) has been overdrawn on six (6) or more Business Days in the past six (6) months;
- You redeposit a check that has been returned unpaid; and/or
- There is an emergency, such as failure of computer or communications equipment, or other situation beyond our

control that interrupts the normal course of business.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the fifth Business Day after the day of your deposit. If your deposit is not made directly to one of our employees (*including a deposit made at an ATM*), or if we decide to take this action after you have left the premises, we will mail you the notice the day after we receive your deposit. If we extend the time that funds will be available and do not furnish you with written notice at the time of deposit, we will refund any fees for any subsequent overdrafts or return of checks or other debits to the Account caused by delaying the funds availability on the deposited checks, if (a) the overdraft or return of the check would not have occurred, except for the fact that the deposited funds were delayed; and (b) the deposited check was paid by the paying bank. To request a refund, please visit a Bank branch or contact us by phone at the Client Care Center 800-324-9375.

Deposits Not Made in Person

All deposits not made in person may be subject to delays in availability. In addition, we reserve the right not to accept, reject, or reverse a deposit not made in person if we deem the deposit does not follow our deposit guidelines, is affected by state or federal check acceptance guidelines, or is in violation of applicable law. Deposits are considered received when the transaction has been successfully completed. A confirmation message or receipt will be provided notifying you if the transaction was completed, or whether it was subject to rejection or reversal.

ATM Deposits

Cash deposited at the ATM will be made available no later than the first Business Day after the Business Day of deposit. When you deposit a check at an ATM, regardless of the type of check, we will make the funds available no later than the first Business Day after the Business Day of deposit, unless we deem a longer delay is necessary.

Mobile Deposits

When you deposit a check via our Mobile Deposit service (*through our Mobile Banking App*), regardless of the type of check, we will make the funds available no later than the first Business Day after the Business Day of deposit, unless we deem a longer delay is necessary. Mobile Deposits are subject to the limits specified in the Online Banking Agreement. Please refer to the Online Banking Agreement for additional information about our Mobile Deposit service.

Part IV: Electronic Funds Transfers Disclosure

A Customer’s Guide to Electronic Fund Transfers

The Electronic Fund Transfer Act and Regulation E require disclosure of your rights and responsibilities when using the electronic fund transfer services we offer.

Disclosure Statement

You have authorized us to make electronic fund transfers on your behalf and/or have requested the use of electronic fund transfer services and facilities. All electronic fund transfers are subject to the terms and conditions outlined below. Your use of a WaFd Bank Debit or ATM Card (each, a **“Card”**) is subject to those same terms and conditions and the following conditions:

- The Card(s) remains our property and will be surrendered immediately to us upon request.
- You will abide by our rules and regulations regarding the

maintenance of your Account and the terms and conditions governing the issuance and use of any Card(s) as set out in the Account Agreement (*as amended from time to time*).

- We may cancel your Card because of Account abuse, such as overdrafts, nonsufficient funds, returned check deposits, forged checks, Card dispute abuse, or high Card replacement volume.
- We may cancel your Card(s) or our electronic fund transfer services at any time, without prior notice, except as provided by applicable law.

Types of Available Funds Transfers and Services

WaFd Bank Debit or ATM Card

If you request and qualify, we will issue you a WaFd Bank Debit or ATM Card and you will select a personal identification number (your **“PIN”**). The Card must be linked to your Account with qualified personal ownership.

Debit and ATM Card Security

Keep your Card in a safe place. It is important to keep your PIN secret. Do not write your PIN on your Card or store it with your Card. Do not let someone else enter your PIN for you. If you perform transactions over the telephone using your Card, do not disclose your PIN. Do not disclose information about your Card in response to an unsolicited email or request.

Using your WaFd Bank Debit or ATM Card

You may make ATM cash withdrawals using any ATM network we participate in. The owner or operator of the ATM may assess a fee. These fees may be included in the total transaction amount that is withdrawn from your Account and shown on your Account statement. You may be charged a fee for a balance inquiry by the owner or operator of the ATM, even if you do not complete a fund transfer and may be charged a fee for both a balance inquiry and ATM withdrawal during the same ATM visit.

You may make Point-Of-Sale (**“POS”**) purchases of goods and services at merchants displaying the Visa® logo. Participating merchants may also provide the option of obtaining cash back over and above the amount of the purchase. The amount of each authorized transaction is deducted from your Account.

Deposits made at an ATM are credited to your Account according to our Funds Availability Policy. We may delay your ability to withdraw funds deposited in this manner. Please refer to Part III of this Disclosure (*Funds Availability Disclosure*) for additional information. Balances are subject to final collection, and we may charge back the deposit to your Account for items we are unable to collect. We do not accept ATM deposits of credit card checks, foreign checks, or checks not in U.S. Dollars. All check deposits are subject to standard payee endorsement requirements.

Traveling Abroad

You are required to notify us at least forty-eight (48) hours in advance if you are planning on using your Card outside of the United States. Please call us at 800-324-9375 or visit your local branch during normal business hours to help ensure uninterrupted service. ATM transactions and POS purchases originating outside of the United States that are converted to U.S. Dollars by the network that handles the transaction will convert the local currency amount of the transaction into U.S. Dollars. A VISA International Transaction Fee may also apply. Please refer to the Consumer Fee Schedule for a description of the VISA International Transaction Fee.

Limits

You may use your WaFd Bank Debit or ATM Card for up to twelve (12) ATM withdrawals and up to twenty (20) POS purchases each day so long as you do not withdraw more than the daily dollar limit or your Available Balance, whichever is less. The standard daily dollar limit for ATM withdrawals is \$800. The standard daily dollar limit for POS purchases is \$3,000. If you

request and qualify, we may increase your daily dollar limits for ATM withdrawals and POS purchases. Please note that, if your Account or Card is used in connection with a gig industry (e.g., if you also use your Account and/or Card on occasion in connection with your gig work), we may establish one or more additional limits applicable to your Account and/or the use of your Card (e.g., frequency limits, dollar limits, or otherwise).

Visa Account Updater Service Disclosure and Notice of Right to Opt Out

From time to time, we will replace your WaFd Bank Debit Card as it expires. When we replace a Card due to expiration, the card number will remain the same, but the expiration date, and card verification value (CVV) security code will change. If you provide your WaFd Bank Debit Card information to merchants, subscription services, eCommerce merchants, or others for the purpose of making future one-time or recurring payments, the information that they have on file will not match the card account details for your new Card once it has been replaced. This may lead to disruption of your future one-time or recurring payment services, interruption of the products/services you receive from your merchant(s), and third-party/merchant assessed late fees.

In order to avoid these disruptions, VISA has implemented the VISA Account Updater (“**VAU**”) Service. Because your Card is a VISA Debit Card, WaFd Bank will provide your new WaFd Bank Debit Card details to VISA’s VAU Service, so that the information you have on file with merchants who participate in the VAU Service is automatically updated whenever your Card is reissued. Cards reissued due to fraud or because of being lost or stolen are not included in the VAU Service for security reasons. VAU allows a secure and convenient way to electronically update your WaFd Bank Debit Card information with participating merchants, done in a timely and efficient manner so that you don’t have to do it. **However, you have the right to opt-out of this service.** If now, or in the future, you wish to opt-out of this service, please contact us at ask@wafd.com or call 800-324-9375. If you wish to reverse your opting-out decision in the future, you will have to notify WaFd Bank in writing of that decision.

Online and Mobile Service

In addition to transactions initiated by using your WaFd Bank Debit or ATM Card, there are other electronic banking transactions that you may initiate through your Account via our Online and Mobile Service, including the ability to: (a) transfer funds between your Checking Accounts and Savings Accounts; (b) make payments from your Checking Accounts or Savings Accounts to your Loan Account; (c) pay bills directly from your Checking Account in the amounts and on the days you request; (d) transfer funds to your accounts at other financial institutions; and (e) transfer funds to third parties.

Transfers on Behalf of Others

You understand and agree that you are not permitted to initiate electronic fund transfers on behalf of any person who is not an owner of your Account.

Preauthorized Transfers from Your Account

You may use your Account or WaFd Bank Debit Card to make recurring payments by preauthorizing an electronic fund transfer from one of your Checking Accounts or Money Market Accounts to a payee you designate. If these recurring payments vary in amount, the person you are going to pay should tell you the amount and date of the next payment at least ten (10) Calendar Days before the payment due date.

Stop Payment of Preauthorized Transfers

You can request to stop a recurring payment (e.g., a preauthorized debit card or ACH transaction) from your Account by contacting us by phone or by visiting a Bank branch at least three (3) Business Days before the scheduled date of the transfer you wish to stop. If your stop payment request is received within

three (3) Business Days of the transfer date, we will attempt to satisfy the request of the Account holder, but we will not be held liable if enough time was not provided for an eligible recurring transfer or transaction that occurs within the three (3) Business Day period. If you provided your WaFd Bank Debit Card number for the preauthorized transfer, we may either cancel the Card and issue a new one to replace it or block specified payments from your Account for the payee whose name you provide us. If you provided your Account number and the Bank routing number to authorize the payment (i.e., an ACH direct debit), we will block the payment(s) you specify from the payee whose name you provide us. You will need to provide us with your Card number, if applicable, your Account number, the exact name of the payee, and the amount of the payment. We will accept a stop payment request verbally, but if the request is submitted through email or fax, a follow-up verbal request will be needed for validation of identity. If you order us to stop one of these payments three (3) Business Days or more before the transfer is scheduled, and we do not do so, you understand and agree we will only be liable for your actual loss and damage. A stop payment on recurring ACH entries will be effective permanently, until withdrawn by you. A stop payment on recurring WaFd Bank Debit Card transactions will be effective for one (1) Calendar Day to two (2) years, depending upon the type of request, or until withdrawn by you. We will mail a notice to document the receipt of the stop payment request. If the stop payment information is incorrect it is your responsibility to notify us of the incorrect information. Please refer to the Consumer Fee Schedule for a description of the Stop Payment fee.

Please be aware that a stop payment will not cancel the service with the merchant, service, or person. You must contact the merchant, service, or person and arrange permanent cancellation.

Preauthorized Transfers to Your Account

We provide preauthorized credit services, which are referred to as Direct Deposit of Recurring Payments. This service allows you to ask that recurring payments, which you designate, such as Social Security or payroll, be deposited directly to your Account. If you have arranged to have direct deposits made to your Account at least once every sixty (60) days from the same person or company, you can call us at 800-324-9375 to find out whether the deposit has been made.

Documentation of Transactions

ATM and Point of Sale (Merchant) Transactions: You will get a receipt at the time you make an ATM withdrawal or POS transaction.

Periodic Statements: We will send you a monthly Account statement for your Checking Account or Savings Account. If your Account is a Certificate of Deposit, we will send you an Account statement either monthly or quarterly.

Cost of Electronic Transaction Services: You may be charged for electronic fund transfer services. Please refer to the Consumer Fee Schedule for a full listing of fees and charges you may incur in connection with electronic fund transfer services

No Special Notice of Receipt of Funds: If you are the beneficiary of an electronic fund transfer, you agree that we are not obligated to give you separate notice that we have received the electronic fund transfer. However, if you normally receive or have electronic (e.g., Online Banking) access to a periodic statement for the Account to which we credited the electronic fund transfer, you acknowledge and agree that the electronic fund transfer will be reflected on the periodic statement that includes the date on which we credited the electronic fund transfer to your Account. While we generally do not provide separate notices, we may do so on occasion.

Your Liability for Unauthorized Transactions

Tell us at once if you believe your WaFd Bank Debit or ATM Card has been lost or stolen, if your personal identification number (PIN) or Online and Mobile Service password has been discovered by someone else, if you believe an electronic fund transfer has been made without your permission using information from your check, or if you believe someone has withdrawn or may withdraw money from your Account without authorization. Telephoning is the best way of keeping your possible losses down.

If your Account statement shows transactions that you did not make, tell us AT ONCE. If you do not tell us within sixty (60) Calendar Days after the Account statement was mailed to you (*or otherwise made available to you*), you may not get back any money you lose after the sixty (60) Calendar Days if we can prove that it could have stopped someone from taking the money if you had told us in time. This time limit may be extended under special circumstances. You have no liability for unauthorized transactions if you have notified us within the requisite time period and had no knowledge of the transaction.

If you tell us within two (2) Business Days after you learn of the loss or theft of your WaFd Bank Debit or ATM Card, PIN, or Online Banking Service password, you will lose no more than \$50 if someone uses your Card without your permission. If you do NOT tell us within two (2) Business Days after you learn of the loss or theft of your WaFd Bank Debit or ATM Card, PIN, or Online Banking Service password, and we can prove we could have stopped someone from using your Card without your permission if you had told us, you could lose as much as \$500.

Visa Debit Card Zero Liability: Visa provides protection from certain unauthorized transactions using your WaFd Bank Debit Card with the Visa logo that are processed through the Visa network, which does not include ATM transactions and most transactions using a PIN. You must demonstrate that you have used reasonable care in protecting your WaFd Bank Debit Card from risk of loss or theft and notify us immediately of loss, theft, or any unauthorized use. The Visa Zero Liability Policy requires issuers to replace funds taken from your Account as the result of an unauthorized credit or debit transaction within five (5) Business Days of notification. Replacement funds are provided on a provisional basis and may be withheld, delayed, limited, or rescinded based on gross negligence or fraud, a delay in reporting unauthorized use, an investigation and verification of a claim, and account standing and history. Please consult the terms and conditions of your WaFd Bank Debit Card for additional information.

Telephone Number and Address

If you believe your Card(s), PIN, or Online and Mobile Service password has been lost or stolen call 800-324-9375 or contact any of our branches immediately. TO REPORT A LOST OR STOLEN PLASTIC CARD AFTER BUSINESS HOURS, CALL 800-324-9375.

If your Account statement shows transactions you did not make, or if you believe someone has or may initiate transactions on your Account without your permission, call 800-324-9375, write to us at Deposit Operations, WaFd Bank, 5777 N. Meeker Ave, Boise, ID 83713, or contact us at any of our branches immediately.

Liability for our Failure to Make Transfers

If we do not complete a transfer to or from your Account on time or in the correct amount according to our agreement with you, we will be liable for damages directly caused by our failure. However, there are exceptions for which we will not be liable, for instance:

- If through no fault of ours, your Account does not have enough money to complete the transfer;
- If the monies in your Account are subject to legal or regulatory restrictions or other encumbrances;

- If the ATM does not have enough cash;
- If the ATM was not working properly and you knew about the breakdown when you started the transaction; or
- If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.

These are some of the exceptions. There may be other exceptions.

In Case of Error or Questions about Your

Electronic Transfers

As soon as you think your statement or receipt is wrong, or if you need more information about a transaction listed on the statement or receipt, contact your branch or call 800-324-9375. We must hear from you no later than sixty (60) Calendar Days after we send you (*or otherwise make available to you*) the first periodic Account statement in which the problem or error appeared. Please provide us with the following information:

- Your name and Account number;
- A description of the error or the transaction you are unsure about and why you think it is an error or why you need more information; and
- The amount of the suspected error

We will determine whether an error occurred within ten (10) Business Days after we hear from you and will correct any error promptly. However, if we need more time, we may take up to forty-five (45) Calendar Days to investigate your complaint or question. If we decide to do this, we will provisionally credit your Account within ten (10) Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question into writing and we do not receive your written statement within ten (10) Business Days, we may not provisionally credit your Account while we complete our investigation.

For errors involving new Accounts (*i.e., Accounts opened within thirty (30) Calendar Days before the date of the suspected error*), POS transactions, or foreign-initiated transactions, we may take up to ninety (90) Calendar Days to investigate your complaint or question. For new Accounts, we may also take up to twenty (20) Business Days to credit your Account for the amount you think is in error.

We will tell you about the results within three (3) Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation and will debit any provisional credit from your Account. You may ask for copies of the documents that we used in our investigation.

Part V: Substitute Check Policy Disclosure (Check 21)

Substitute Checks and Your Rights

What is a Substitute Check?

To make check processing faster, federal law permits banks to replace original checks with “**substitute checks.**” These substitute checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: “This is a legal copy of your check. You can use it the same way you would use the original check.” You may use a substitute check as proof of payment just like the original check.

Some or all the checks that you receive back from us may be substitute checks. This Part V describes the rights you have when you receive substitute checks from us. The rights in this Part V do not apply to original checks or to electronic debits to your Account. However, you have rights under other law with respect to those transactions.

What are My Rights Regarding Substitute Checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your Account (*for example, if you think that we withdrew the wrong amount from your Account or that we withdrew money from your Account more than once for the same check*). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your Account and any fees that were charged as a result of the withdrawal (*for example, bounced check fees*).

How Do I Make a Claim for a Refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your Account, please contact us at: Deposit Operations, WaFd Bank 5777 N. Meeker Ave, Boise, ID 83713.

You must contact us within forty (40) Calendar Days after the date that we mailed (*or otherwise delivered by a means to which you agreed*) the substitute check in question or the Account statement showing that the substitute check was posted to your Account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is nonsufficient to confirm that you suffered a loss; and
- A copy of the substitute check or the following information to help us identify the substitute check: (a) Account number; (b) check number; (c) the name of the person to whom you wrote the check; (d) the amount of the check; and (e) the date the check was paid or posted to your Account.

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You are also entitled to interest on the amount of your refund if your Account is an interest-bearing Account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (*plus interest if your Account earns interest*) within ten (10) Business Days after we receive your claim and the remainder of your refund (plus interest if your Account earns interest) not later than forty-five (45) Calendar Days after we receive your claim. We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your Account.

Part VI: Rules and Regulations Regarding Safe Deposit Boxes

No Insurance of Box Contents

Safe Deposit Boxes and their contents are not insured by the FDIC or by WaFd Bank. We recommend you keep an accurate inventory of the contents of your Safe Deposit Box (your **“Box”**). If you would like insurance coverage for what you store in your Box, please contact your insurance agent to arrange coverage.

USA PATRIOT ACT Notice

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who rents a Box.

What does this mean for you? When you rent a Box, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents.

Safe Deposit Box Rules and Regulations

These Rules and Regulations shall govern the use and rentals of all Boxes held in contract between WaFd Bank and the Box holder, also referred herein as “the renter.”

Safe Deposit Box Contract

The Safe Deposit Box Contract between you and the Bank (the **“Safe Deposit Box Contract”**) creates the relationship of lessee and lessor. We will not, under any circumstances, be in a position of possession or custody of any contents placed in the Box. You rent the Box for your personal use and retain possession and control of (and responsibility for) all contents of the Box.

Access

Please note that we do not have a key to your Box. You have sole responsibility for custody and safekeeping of the keys to the Box. In some of our branches, we also maintain identification equipment, such as a hand scanner (**“Equipment”**), at the entrance of the area where your Box is located (the **“Area”**). In those locations, only those persons who meet the requirements of the Equipment will be allowed access to the Area. You agree not to allow anyone else access to any such Area(s).

Standard of Care

We will exercise ordinary care to prevent the opening of the Box by any unauthorized person, but beyond this level of ordinary care will not be liable for the contents of the Box. You agree that an unauthorized opening shall not be presumed from the loss or disappearance of any contents of the Box. We are not liable if the contents of the Box are damaged or misappropriated as a result of any act or omission, unless such damages or misappropriation is the result of our willful misconduct. As noted above, you understand and agree that the contents of the Box are not insured by the Federal Deposit Insurance Corporation or the Bank’s own insurance policies, and that it is your responsibility to determine whether the Box and its contents are covered under your own insurance policies (and to obtain and maintain such coverage, if desired).

Availability

Access to the Box is allowed during our normal business hours on Business Days at the branch where your Box is located. Please note that there may be additional times when we are closed for business or when access to your Box may be unavailable (*e.g., when circumstances exist to make access unreasonable, impractical, impossible, or unlawful*). We are not liable for any delay caused by failure of vault doors, Equipment, keys, or Box locks to operate. Boxes should be opened only in the areas provided. You understand and agree that we are not liable for any contents, items, or other property left in such areas.

Joint Renters; Deputies

If a Box is rented by more than one Renter, each Renter will have the ability to access the Box without the prior consent or presence of the other Renter(s), add or remove contents of the Box, and surrender the Box (*and keys*). Any act or statement made by one joint Renter may be accepted and acted upon by us as if it was made by all Renters.

Each Renter may also identify and appoint one or more deputies on the Safe Deposit Box Contract. Each deputy will have complete access to the Box (*with or without the presence of any other Renter(s)*), including but not limited to the authority to add or remove contents of the Box or surrender the Box (*and keys*). We shall have the right to rely upon the authority of a Renter’s

duly appointed deputy until such time as we receive written revocation of the deputy’s authority and have had a reasonable opportunity to act upon such revocation. No person other than the Renter or duly appointed deputy named in the records of the Bank (or other legal representative) shall have access to the Box, except as noted below.

Legal Process and Legal Representatives

Should we be served with any court order, writ, or other legal process commanding the Bank to open the Box, you understand and agree that we are hereby released from any liability in doing so. To the extent required by applicable law, we will comply with any requirements imposed upon the Bank in opening the Box in connection with any such legal process (*e.g., preparing an inventory, delivering a copy of the inventory to the court, etc.*).

We may grant the same access to the Box to any person reasonably appearing to the Bank (without legal consultation) to be a judicially appointed legal representative of the Renter (or a deceased Renter) as the Renter would have had directly. If a Box is rented by more than one Renter, we may allow Box access to a duly appointed legal representative (*e.g., personal representative, administrator, executor, etc.*) of a deceased joint Renter without prior notice to any other surviving Renter(s).

Reservation of Rights and Indemnity

We reserve the right to refuse access to any Box if there is reason to believe we may incur any liability if access is permitted. For instance, if circumstances arise which cause us to reasonably believe that we may become liable to any party or subject to any penalty if access is permitted to the Box, or if the right of access of any party is disputed by another party, we may deny access to all parties as long as such possibility of liability or penalty or such dispute continues. You agree to indemnify us and hold us harmless from any losses, liabilities, penalties, claims, damages, costs, expenses, or other harm or injury (including, but not limited to court costs and reasonable attorneys’ fees) we may incur due to any such liability, penalty, or dispute arising out of a Renter’s, deputy’s, or legal representative’s access to and/or use of the Box.

Term

A Renter may terminate the Safe Deposit Box Contract and surrender possession of a Box by notifying us in writing and surrendering the keys, in which case you understand and agree that you will not receive or be entitled to a refund of any prepaid rent. We reserve the right to terminate the Safe Deposit Box Contract and your use of a Box at any time by giving thirty-five (35) Calendar Days’ notice in writing, by certified mail, sent to the address of the Renter as such address appears on our records. If you fail to surrender the Box and keys, we may forcibly open the Box (*e.g., by drilling the Box or similar means*) at your expense and remove and store the contents without liability for safekeeping. Please refer to the Consumer Fee Schedule for a description of the Safe Deposit Box Drilling fee. If the contents are removed promptly in accordance with the notice of termination, a pro rata amount of any prepaid rent will be refunded to you.

Amendments

We reserve the right to amend these Rules and Regulations Governing Safe Deposit Boxes from time to time in our sole discretion. Notice of such any amendment(s) will be mailed to the address of the Renter at the address shown on the Box records. Unless you surrender the Box and keys within sixty (60) days of the mailing of such notice, you will be deemed to have accepted the amendments (*and the amendments will become part of the Safe Deposit Box Contract*). All notices shall be deemed given when mailed to the last mailing address shown on the Box records for the Renter.

Rent and Fees

All rents are payable annually in advance. The Renter (*or each Renter, jointly and severally*) agrees to pay rent at the start of each future period for the use of the Box at the then-current rate set forth in the Bank’s Safe Deposit Box Annual Rent Schedule. We may refuse access to the Box if any part of the rent remains delinquent or if you fail to pay any fees, charges, or other expenses due to us in connection with the Box (*e.g., Safe Deposit Box Drilling fees, costs associated with replacement Box keys or locks, etc.*). We may charge past due rent or other fees, charges, or other expenses against funds of the Renter held by us. If rent or any other such fees, charges, or other expenses remain(s) unpaid for a period of one (1) year or more, we may proceed as provided by the laws of the state where the Box is located, with respect to opening a Box. Please refer to the Consumer Fee Schedule and Safe Deposit Box Annual Rent Schedule for a full listing of fees and rental amounts applicable to the Box.

Keys

A Safe Deposit Box Key Deposit is due upon renting a Box. Please refer to the Consumer Fee Schedule for a description of the Safe Deposit Box Key Deposit. We do not retain keys to any Box, and the contents of the Box will remain unknown to us. You agree to notify us immediately if any key to their Box is lost. In the event of a lost key, you may be required to move to another Box or, alternatively, your access to the Box may be blocked until the lock associated with the Box can be changed. You shall be responsible for all costs associated with lost Box keys and/or the need to change the lock associated with the Box. Please refer to the Consumer Fee Schedule for a description of the Safe Deposit Box Drilling fee. You agree not to make or cause to be made any duplicates of a key. Upon surrender or termination of any Box, the keys must be returned immediately to us.

Death of a Renter

Each Renter agrees to notify us of the death of any other Renter or person having the right of access to the Box. The death of any joint Renter will not affect the right of any other Renter to have access to the Box and to add or remove any or all contents of the Box. A deputy appointment will cease upon the death of the Renter who appointed the deputy. In the case of the death of a Renter, we are not chargeable with notice of death until the Bank branch office where the Box is located has received actual notice of such death. We are authorized to continue allowing access to the Box by any duly appointed deputy or other legal representative of the deceased Renter, until we receive actual notice of the Renter’s death.

No Dangerous or Hazardous Materials

You agree not to store any dangerous items in the Box, such as explosives. You further agree not to store liquids or other property of an illegal, dangerous, or offensive nature in the Box. You assume all risks arising from the nature of any contents stored in the Box. You agree to indemnify us and hold us harmless from all losses, liabilities, penalties, claims, damages, costs, expenses, or other harm or injury (*including, but not limited to court costs and reasonable attorneys’ fees*) we may incur arising out of or relating to any contents of the Box that violate this Section.

Binding Effect and Assignments

All terms and conditions of the Safe Deposit Box Contract and these Rules and Regulations Governing Safe Deposit Boxes are binding upon the heirs, agents, deputies, legal representatives, and successors of each Renter. You may not sell or assign your interest in the Box without the Bank’s prior written consent, which we may withhold in our discretion. We reserve the right, upon reasonable notice to you, to assign our rights and responsibilities to any financial institution that may purchase the building in which the Box is located.
